How Time Flies!

As we celebrated Hey Radio's 17th Birthday on Thanksgiving Day, we're grateful for our journey together. It seems like just yesterday when we began airing this uplifting Christian Rock. This milestone reflects the unwavering support of our donors, many of whom contribute out of sheer belief in our mission. They may not listen, but they believe! We're thankful to be able to spread positivity and hope through our broadcasts. And for that, we thank God and all who make this possible.

Right after Thanksgiving we start with GREAT Christmas songs, old and new to usher in the season. If you've never heard the Screamo version of Silent Night, you really need to tune in! It gives "Rockin' Around the Christmas Tree" a whole new meaning!

As the Christmas holiday unfolds, I'm reminded of why angels came to the humble shepherds to proclaim that a Saviour was born! See the parallel here... as Hey Radio proclaims that same message of a Saviour to the humblest of present day listeners (at-risk teens) with music.

In 2026 we pray that you make the most of the relationships you have with family and friends. While you interact with them, consider introducing them to the positive, safe and uplifting music and messaging of Hey Radio. They'll thank you for giving them the gift that keeps on giving all year long!

Thank you all for the love you share with us. May God continue to bless us all!

The Unity Festival Ministry Partner Impact Fund

As the year draws to a close, we at Hey Radio want to thank you for being part of our journey. For 17 years, we've been on air, providing a safe, positive source of Christian Rock, proclaiming the message of a Saviour, especially to listeners like at-risk teens. You, our listeners, are the reason we continue to broadcast. We love hearing from you, like Jimmie from Muskegon, who says TFK's "Let the Sparks Fly" gets him "pumped up and ready to face the world!"

Our milestone 17th Birthday this past Thanksgiving reminds us that this ministry is powered entirely by your unwavering support. Your contributions ensure that our music and messaging keeps reaching those who need a positive alternative.

The Critical Year-End Need

Right now, we are asking you to prayerfully consider a special year-end gift to Hey Radio. Your support keeps our broadcast on air, covers operating costs, and allows us to continue to spread positivity and hope through our broadcasts in the coming year.

Your gift is an investment in the lives we touch and in our mission to be a daily source of faith and encouragement.

As a 501(c)(3) non-profit organization, your contribution is tax-deductible to the fullest extent of the law. Please make your gift before December 31st to secure your deduction and help us start the new year strong.
