

# Out of the Rock

1 D Bmi Emi A7 D

E - very - bod - y knows where a pop can comes from. It comes from the store with the Cheer - i -  
E - very - bod - y knows where com - pu - ters come from. They come from the store with the ster - e -

6 Bmi Emi A7 D D(b6)

os, and the can - dy and the bub - ble gum, but did you know that all the com -  
os, and the T - Vs and the mi - ni - cams, but did you know that that all com -

11 G Gmi D Emi A7 D

pop cans in the world are just like e - very - thing they come from out of the rock.  
pu - ters in the world are just like e - very - thing they come from out of the rock.

16 G G

Gold and cop - per and sil - ver, too,

21 D A7 D G G A7

Take a look and you'll find that it's true. Mak - ing all the things that we use, rocks and min - er - als,

26 B7 E C#mi F#mi B7

soon - er or lat - er, E - very - bod - y knows where a school bus comes from, You ride it

31 E C#mi F#mi B7 E

to and you ride it fro, and the kids all jump and run, but did you know that

36 E(b6) A Ami E F#mi B7

all the school bus - es in the world are just like e - very - thing they come from out of the,

41 E F#mi B7 E F#mi B7 E

e - very - thing must come from out of the, e - very - thing just comes from out of the rock.
