Last call for candidates

We have several leadership positions up for consideration for the Fall election. Positions open are Vice President (1-year), Secretary, Treasurer, and three seats for the Board of Directors. We've extended the application deadline to **Monday, Sept. 18**. To submit your name or for more information, contact Greig Lundergan on the Elections Committee at greigl2010@yahoo.com.

President's message

**Peter
Favaro**

The new door is in! More photos, next page.

Another month and more progress on the construction. Changes are happening fast and hopefully will be done in the next few weeks. I ask that everyone uses the front door until the new ramp is done for the back door, right now there is almost a 7- to 9-inch step up and it is just safer that we don't use it for now.

The show is around the corner and hoping to see all your faces there. We still need volunteers to help whenever possible. You do not need to sign up for anything specific, and at this point we will be placing you where we need you the most at the time. We will be using the movers again to help get everything over to the fair-

grounds, and with pick up when it is time to close out the show.

If you would like to do demonstrations this year, we are doing it a tad differently. If you are considering it, please contact Greg Lundrengen or Christy Gorrow so that they can get you on the schedule. Signups for demos are also on SignUp Genius at bit.ly/2023demo.

Keep up to date with what's going on at the club through the Geode and, as always, feel free to reach out to any executive board member or instructor if you have any questions or concerns that we might be able to address.

Construction progress

.....

Cutting open a new opening for the door.

The old door opening is sealed off.

Finishing the outside with stucco.

The Tampa Bay Mineral and Science Club is looking for members to fill some key positions. If you would like to apply, please contact [Greig Lundergan](#) or [Peter Favaro](#).

Bookkeeper/Treasurer's Assistant: Candidates must have bookkeeping experience, especially using QuickBooks. This person will assist the Treasurer with the weekly debit and credit entries.

Dealer Show Chair: Greig, the current Show Chair, is uncertain where he will be living after June of 2024. To plan ahead, we are looking for a member who is interested in replacing him as Dealer Chair. He is willing to train you, to show what is entailed in making our shows successful. This training would start after the end of the Fall 2023 show.

Social Media Director: This person would be responsible for keeping our social media accounts and websites up to date with new information. You will also be involved in online advertising and online advanced ticket sales for the shows. The Social Media Director must attend the monthly board meetings as well as the quarterly club member meetings.

Volunteers and demos for our Fall Show

Members! Start making your plans to volunteer and do demos at the Fall Show. We have time slots for demos on Signup Genius at bit.ly/2023demo. To sign up to volunteer, contact Christy Gorrow at geodeeditor@gmail.com

WHEN: Nov. 4-5 at the Florida State Fairgrounds

WHAT: You may do demonstrations for table crafts, lapidary, wire wrapping, cold connections, metal clay or simple smithing.

SHIFTS: 2-3 demo hours per shift. If you're doing demos, you must also commit to two additional hours of volunteering Thursday, Friday, Saturday or Sunday.

PERKS: Members are allowed to sell their work during the demo.

DEADLINE: Sign up will close Oct. 2.

LAPIDARY

Class schedule released for Beginning Cabochon

Things are going smooth and classes are filling up. We have put out the next batch of Beginning Cabochon class dates covering the next few months.

- Sept. 23-24
- Oct. 14-15
- Dec. 9-10

I am trying to set up a Thursday class for those who work weekends and are unable to attend the Saturday classes. If you are interested, please reach out so we can get your name down. When we have everything ready to go, we will reach out to you.

FACETING

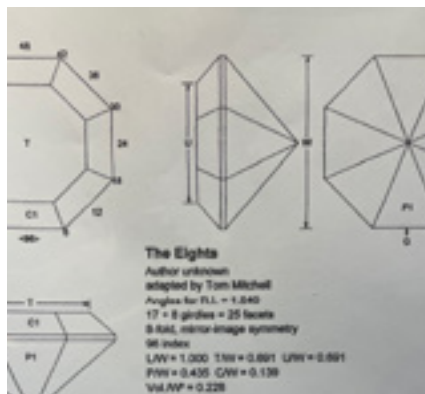

New design for Beginning Faceting

The two new Ultra-Tec machines should be arriving in the next month or so but that doesn't mean you have to wait to get your name down for a class.

We have a new plan for the Beginning Faceting class. The first design will be a new designed called The Eights. This should speed up the pace of cutting your first stone and give you a taste of what faceting is all about. You can then continue this class with other intermediate and advanced classes with more complex designs to improve your skills.

Faceting foreman Tom Dershem is hoping to be back to teaching after his medical procedure, so please keep him in your thoughts for a speedy recovery.

KILN ARTS

Upcoming classes

Because of ongoing construction at the clubhouse, there will be no Kiln Arts classes in September. But instructor Barbara Rivolta has put together a schedule for the rest of the year.

Oct 21-22

Setting Glass in Metal Clay

Did you know that you can fire glass together with metal clay? This makes it possible to set glass without cold connections or soldering bezels. It also makes it possible to make silver bails that are permanently fired onto your glass cabochon. You will never have a glued on bail fail again.

You will learn how to make a fire-on bail and two methods of setting glass in metal clay.

Bring your own glass cabs or purchase from instructor. You will receive a written tutorial and firing instructions. Beginners welcome.

Class and materials fee, paid to instructor: \$250 (includes 50 grams fine silver clay, findings, miscellaneous items). Club Fee: \$70, paid to TBMSC. Dates (2 days, 10 hours total): Saturday, October 21 and Sunday, October 22, 10 am to 3 pm. For information and registration, email barbara.Rivolta@gmail.com or text 609-713-2202.

Nov. 18-19

Bezel Setting Natural Stones in Metal Clay

Learn how to bezel set a natural stone in a metal clay pendant customized for the shape and character of your stone. Make a well fitted bezel that needs no soldering. Class and materials fee paid to instructor: \$250 includes metal clay, metal clay paste, bezel wire and miscellaneous items. Club fee: \$70 paid to TBMSC. Dates: Saturday, November 18 and Sunday November 19, 10 a.m. to 3 p.m. For info and registration, email barbara.Rivolta@gmail.com or text 609-713-2202.

Dec. 16

Herbal Bracelet

This lovely herbal or floral-themed bracelet is a perfect holiday gift. It is also a great introduction to metal clay jewelry making or a good way to refresh your skills. You will impress metal clay links with herbs or flowers and mold a toggle clasp. You will learn how to finish the fired bracelet and solder the jump rings connecting the bracelet links. Saturday, December 16 from 10 am to 5pm. Class fee and materials paid to instructor: \$125 includes silver metal clay, jump rings and miscellaneous items. Club fee: \$49 paid to TBMSC. For information and registration: email barbara.Rivolta@gmail.com or text 609-713-2202.

TABLE CRAFTS

Viking Knit, Kumihimo, Beads, more!

Table Crafts will meet Sept. 14, Oct. 12 and Oct. 19 from 12:30 to 3:30 p.m., with 10 a.m. to 1 p.m. available by request.

If you have unfinished projects, in Viking Knit, Kumihimo, Chaining or Beading, come join us. Table Crafts fee is \$3.50 an hour, but if you want to stay 3 hours, the cost is \$10. Email cgorrow@juno.com, text 813-857-4454 or leave a message to reserve a space and time.

— Christy Gorrow

Gnome class

• Christmas Gnome— Saturday Nov. 11 & 18 (12:30-3:30 p.m.) Open Table Crafts Nov. 9 & 16 from 10 a.m. to 1 p.m. if you need extra time

Gnome patterns are made with two-drop brick stitch. Contact Christy Gorrow to sign up and for the materials you'll need at cgorrow@juno.com or text 813-857-4454.

METAL

Want to learn how to create silver jewelry?

In the Beginning Silver nine-week course, you will learn how to saw, manipulate and solder silver into your own pieces of wearable art. For more information, email instructor Tony Carrino at tcarrino@verizon.net.

TBMSC General Membership Minutes

September 9

Call to order, pledge of allegiance — 11:06 a.m.

Minutes from last meeting. Motion to approve from membership, seconded and approved.

- Treasurer's report:

- First check written to fairgrounds

- Paypal income from vendors

- Checks written to instructors

- Spent \$945 more than we brought in

- Motion from membership to approve treasurer's report. Seconded and approved.

- Show report:

- Moving company will be used like last time

- Need people to show up on Thursday, Nov. 2 at noon to help pack up for movers

- We need bins. If you have any the club can have or borrow, please bring them before moving day.

- We need show volunteers. Contact Greig Lundergan to sign up.

- Construction update

- Cleaned up the faceting area.

- The new doorway will be cut open on Monday, and door framed and installed

- We're also getting cabinets with locks installed once the walls are finished

- Floor will be filled so it will be level with main area.

- Election

- Need to fill a few spots for the executive board: Vice President, Treasurer, Secretary, and 3 board seats.

- Also need to fill show and membership chair. (These are not elected positions)

- Contact Greig Lundergan to run for office.

- New item: Questions have been submitted from the membership about the purpose of the club

- Peter explained that we're classified as a nonprofit educational organization

- Concerns were previously raised about having to be approved to use the Open Shop. Some members questioned the need for this. Peter explained that it's because of insurance requirements to make sure anyone who uses the shop knows how to safely. Because there are different monitors, members have to be on the list for monitors to check.

- Discussion ensued about how silver is not appropriate for beginning metal class. Should be copper or base metal to make it more affordable. Also if workshops are an option.

- If you want to teach a class, come up with a curriculum, list of materials, shop time and talk to the shop foreman

- Motion from membership to adjourn. Seconded and approved.

TBMSC Board Meeting Minutes

September 11

Call to order/Pledge of allegiance- 6:30 p.m.

Board members present: Greig Lundergan (by phone), Lyra Solochek (by phone), Peter Favaro, Ardys Favaro, Christy Gorrow, James Denslow, Carlos Lucin,

Non-Board members present: Melinda Riddle, Ken Moser, Katie Day

- Christy Gorrow motioned for the previous meeting minutes to be approved. Carlos Lucin seconded the motion. All approved.
- The treasurer's report was given by Greig Lundergan.
All income for this month came from classes and show fees.
At the end of the month the first payment to state fairgrounds is due.
Loss of \$900 due to some equipment breaking and having to be replaced.
Ardys Favaro motioned for the treasure's report to be approved. Christy Gorrow second the motion. All approved.
- The new back door is on. Please come through the front door since the back door is about 8 to 9 inches off the ground and the construction crew is prepping for the ADA ramp. Lyra Solochek was asked to send an email to inform the members of the matter.
- Yanitza Sendros resigned her position on the board. Melinda Riddle was voted by the executive board to replace her for the duration of her term, which ends in 2024.
- We have a couple of people that are ready to put in their names for the upcoming elections. A message will be sent out in the Geode concerning the final deadlines to apply for the election.
- Peter Favaro will be calling College Hunks to schedule a pickup for Thursday, November 2 at 2pm. Volunteers for packing up the club house are needed that day at noon.
- We still have openings for volunteers for doing demos during the show., They will be doing non-cabbing demos at the club table.
- There will be no need to make any more kids sluice sandbags for this show. We still have lots from the previous show.
- There will be a show volunteers meeting on Oct. 28. Time will be announced for in the October Geode.
- Motion for meeting to be adjourned proposed by Melinda Riddle. Seconded by Christy Gorrow and approved by all.
