Work is progressing in the faceting area.

Peter Favaro

President's message

Another month down and big things are going on.

The Fall Show is right around the corner, and so are the elections for several leadership positions. We need you, the members of the club, to step up and join us for these endeavors as we are a facility that is run by member volunteers. Come out to the September tailgate and stay for the member meeting so that you can get a more in-depth understanding of where our great facility is and where we are heading. You all will help guide us into the future with your time and knowledge, so please consider joining the board. I welcome you all if you have any ideas to share with us, as it might be something that we have not thought of or that might help us all out. Knowledge is best when it is shared, so I encourage doing so.

Application deadline to run in the election is Sept. 9 at the general meeting. For more information, see Page 3.

Construction is rolling along and progress is being made. There are now new

Continued on next page

The Tampa Bay Mineral and Science Club is looking for members to fill some key positions. If you would like to apply, please contact [Greig Lundergan](#) or [Peter Favaro](#).

Bookkeeper/Treasurer's Assistant: Candidates must have bookkeeping experience, especially using QuickBooks. This person will assist the Treasurer with the weekly debit and credit entries to achieve more transparency on where the club's funds come from and where the expenditures go.

Dealer Show Chair: Greig, the current Show Chair, is uncertain where he will be living after June of 2024. To plan ahead, we are looking for a member who is interested in replacing him as Dealer Chair. He is willing to train you, to show what is entailed in making our shows successful. This training would start after the end of the Fall 2023 show.

Social Media Director: This person would be responsible for keeping our social media accounts and websites up to date with new information. You will also be involved in online advertising and online advanced ticket sales for the shows. The Social Media Director must attend the monthly board meetings as well as the quarterly club member meetings.

New members!

Continued from previous page

windows in the faceting area and drywall will be up soon. Next will be the "lower" area where the kilns are at for for metal clay. The floor level will be raised up, and windows will be replaced. We will also get a new door that will be more central to the wall in that area. The low dividing wall will be removed, so we should have better flow throughout the facility when all is said and done.

Help us make a difference

We have several leadership positions up for consideration for the Fall election. Below are the positions and job descriptions according to the club by-laws. Deadline to apply is **Sept. 9** at the general meeting. Candidates will introduce themselves at this meeting. They will also receive a questionnaire, which the election committee will send out. To apply or for more information, contact Greig Lundergan on the elections committee at greigl2010@yahoo.com.

VICE PRESIDENT (special election to fulfill the remaining term): The Vice President shall be an Officer of the Corporation and shall serve as an aide to the President and perform all duties of the President in the event of the president's absence or inability to serve. The Vice President is responsible for presenting an annual written inventory of the Corporation's property to the President for storage in a permanent file. The Vice President is also responsible for ensuring all By-Laws are followed and kept up to date, and the Standard Operating Procedures are current and followed.

SECRETARY: The Secretary shall be an Officer of the Corporation and shall keep the minutes of all meetings. The Secretary shall forward a copy of the minutes of the Executive Committee to the editor of the Corporation newsletter within five (5) business days from the completion of the meeting being recorded. If necessary, the Secretary may utilize a recording device to ensure that an accurate account of the meetings is presented to the general membership. The minutes need not be reported word for word but should indicate all points addressed at the meetings by members of the Executive Committee or general members, when present. The Secretary shall perform such other duties as occasionally may be assigned.

TREASURER: Treasurer shall be an Officer of the Corporation and shall keep accurate records of all financial transactions of the Corporation. The Treasurer shall receive all monies of the Corporation, disburse funds authorized by the Executive Committee, copy and forward all receipts and expenditures to the Accountant. Report at each regular business meeting and at any other time when requested to do so by the Executive Committee, the state of the accounts obtained from the Accountant. In conjunction with the Accountant, department heads, and the Executive Committee, the Treasurer shall present a tentative budget, by the second Executive Committee meeting of each year. This budget must contain a fiscal report of budget versus actuals of the previous year. The Treasurer shall report the annual fiscal report, provided by the Accountant, at the February business meeting of the Corporation. Once approved by the Executive Committee, the proposed budget will be presented at the first membership meeting of each year. The Executive Committee will review the budget actual versus proposed at the July Executive Committee meeting, with information gathered from the Accountant, and make adjustments if needed.

BOARD OF DIRECTORS (three seats): The Board of Directors shall be responsible for ensuring that all standard operating procedures are kept up to date and followed. The Board of Directors may be asked to perform other duties requested by the Executive Committee.

**DON'T
MISS IT!**

General meeting Sept. 9

Make sure to come to the next quarterly members' meeting on Sept. 9. We will have a short presentation on what to look for when buying material for cabbing, faceting, or for general displays. Come early for the members' tailgate from 9-11 a.m. (Setup will begin at 8:30 a.m.) We usually have rough, cabs, faceted stones and more for sale. The presentation and meeting will follow at 11 a.m.

SEEKING A SANDBLASTER

If anyone has a portable sandblaster the club could borrow, please let [Peter Favaro](#) know. We need to clean off Bertha, a Highland Park slab saw, so we can do some repair work. We need to have the seams and the motor mount welded, and it needs a replacement hood.

Want to demo at our Fall Show?

Members! Start making your plans to volunteer and do demos at the Fall Show. Sign up is open on Signup Genius at bit.ly/2023demo.

WHEN: Nov. 4-5 at the Florida State Fairgrounds

WHAT: You may do demonstrations for table crafts, faceting, lapidary, wire wrapping, cold connections, metal clay or simple smithing.

SHIFTS: 2-3 demo hours per shift. If you're doing demos, you must also commit to two additional hours of volunteering Friday, Saturday or Sunday.

PERKS: Members are allowed to sell their work at the demo.

DEADLINE: Sign up will close Oct. 2.

CONTACT: For more information, contact Christy Gorrow at geodeeditor@gmail.com with a subject line of "Show Demo."

LAPIDARY

Shop has been keeping busy

Things have been rolling along with classes and open shop. We have seen a nice uptick of people attending open shop.

Because of this, I'd like to know if members would like us to add another daytime open shop during the week. If so, let me know so we can see what can be done to help facilitate hours for everyone. The day and time will be decided based on preferences of a majority.

The next class for Beginning Cabochon will be September 16-17. If you are interested, please email me at hawk_doc@hotmail.com so that I can get you on the list.

— Peter Favaro

FACETING

Classes still going on despite construction

With the renovation of the clubhouse, some of our faceting machines are not available. But that doesn't mean we can't get you started on the class if you want.

We have two new machines that allow for multiple students on each, due to the ability to switch out stones easily.

If you have already done your first stone maybe it is time to start on your second one. Email us and let us get you started making a sparkler you would be proud of.

—Peter Favaro

Lyra's faceted sphere (X-Cube) tied for first in the synthetic category of the Prettiest Stone Contest.

Franklin Faceting Frolick

Two of our club members — Jim Kammel and Lyra Solochech — attended the Franklin (North Carolina) Faceting Frolick in July. The three-day symposium, which was hosted by the U.S. Faceting Guild, was all about the art of faceting. Guest speakers and presenters included renowned faceters Arya Akhavan, Roger Dery, John Herbst, and Justin Prim.

Jim and Lyra also took a two-day faceting class from Tom Mitchell, former USFG president, to reinforce their skills.

Rockhounding resources

Here are some websites that offer great information about rockhounding in Florida.

[Florida Rockhounding Location Guide & Map](#)

[How To Find Rocks rockhounding guide in Florida](#)

[Obtaining fossil permits in Florida](#)

[Gator Girl Rocks: America's Best Rockhounding Resource](#)

Additionally, the [Tampa Bay Fossil Club](#) hosts fossil-hunting field trips. Go to their website for more information.

KILN ARTS

Upcoming classes

No kiln arts classes in August

Barbara Rivolta and other artists (including Michael J. Marx, who was our guest instructor in April) will be teaching at the Metal Clay Artists Symposium at Sawtooth School For Visual Art in Winston-Salem, N.C., on Aug. 24-27. For information and registration, go to MCASSawtooth.com.

Looking forward to Fall

Barbara is planning these classes. More information to come.

Sept. 17: Metal Clay Lace Cuff and Earrings using bronze & copper

Oct. 22: Setting Natural Stones in Fine Silver Metal Clay (no soldering)

Dec. 10: Holiday Brooch and Earrings in Sterling Metal Clay

TABLE CRAFTS

Viking Knit, Kumihimo, Beads, more!

Table Crafts will meet every Thursday in August from 12:30 to 3:30 p.m., with 10 a.m. to 1 p.m. available by request. If you have unfinished projects, come join us. I know there are several unfinished delica beaded bracelets in the closet. Plus, I know several people didn't finish their Viking Knit from the last class. If there's something in the way of Chaining, Viking Knit, Beading, or Kumihimo you would like to try, let me know. Table Crafts fee is \$3.50 an hour, but if you want to stay 3 hours, the cost is \$10. Email cgorrow@juno.com, text 813-857-4454 or leave a message to reserve a space and time.

— Christy Gorrow

Gnome class

• Christmas Gnome— Saturday Nov. 11 & 18 (12:30-3:30 p.m.) Open Table Crafts Nov. 9 & 16 from 10 a.m. to 1 p.m. if you need extra time

Gnome patterns are made with two-drop brick stitch. Contact Christy Gorrow to sign up and for the materials you'll need at cgorrow@juno.com or text 813-857-4454.

METAL

Want to learn how to create silver jewelry?

In the Beginning Silver nine-week course, you will learn how to saw, manipulate and solder silver into your own pieces of wearable art. For more information, email instructor Tony Carrino at tcarrino@verizon.net.

TBMSC Board Meeting Minutes

August 7, 2023

Attendees

Board members: Peter Favaro, Greig Lundergan, Tony Carrino, Carlo Lucin, Lyra Solochech, Christy Gorrow, Jim Denslow, Yanitza Sendros, Linda Collins (via phone)

Member: Melinda Riddle

Call to order: 6:23p

Motioned to approve minutes from July by Greig Lundergan, seconded by Tony Carrino. Approved by all.

Treasurer's report was given by Greig Lundergan.

- Some large expenses in July because of renovation.
- Income from classes.
- Motion to approve Treasurer's Report Jim Denslow. Seconded by Christy Gorrow, Approved by all.

Signup Genius

- We're setting up SignUp Genius for class and open shop signups. Monthly fee of \$12.
- Will open to members September.
- Quick link will be placed on website.
- Class signup will require 50 percent deposit with a cancellation policy.
- Open shop will be prepay only by hour or for the day's hours.
- Each class will be listed on Classes signup page on the website.
- Classes will post about a month ahead.

Show report

- State fair raised rates last month again. So we'll have to raise table fees after this year. Increase of \$5 to \$10 per table
- 60-62 vendors expected for November show
- People are committed, waiting on payments. About 35 already paid.
- Discussion held whether to cancel lunch for vendors to offset increase in cost. No decision reached.

OLD BUSINESS

Construction update

- Construction started and progressing. Back walls are being replaced.

Club phone update

- Still trying to finalize with TMobile on a phone plan for the club. Prices will be about what we pay now, but we will get Microsoft 365 included for the year.
- We will keep current number

Continued on next page

Continued from previous page

Class updates

- Good number of participants for Lapidary and Tablecrafts. Silver started a series earlier this month.
- Question about Advanced Lapidary classes. Students need at least 6 months of cabbing before they can take upper levels
- Linda suggests start-to-finish stone to jewelry class. Logistically not easy to do straight to silver. Have samples of what they look like what a finished product would look like

Estate

- Club purchased items from an estate. Picked up from Fort Myers. Tablecrafts, faceting, cabbing material, microscope, Graves Mark IV, Lortone tumbler
- Equipment will be up for sale at the September tailgate.

NEW BUSINESS

Cabinets

- We have chance to modify contract to 10 double-door lockable kitchen cabinets installed on back walls for additional \$1200. This will replace metal cabinets and recoup floor space. We will gain about 20 ft of wall space with renovation.
- Once faceting area is done, we need to move everything over to faceting area to get work area clear. Contractor needs to measure floor area and pour concrete to even out floor level. He will also take out the short wall.
- Motion to approve additional \$1,200 for cabinets by Yanitza Sendros. Seconded by Carlo Lucin. Approved by all.

Mileage rate for picking up estates

- Mileage should be covered for person picking up an estate. But should be preapproved.
- Discussion to pay government rate. We will need a form to file for mileage.
- Tony Carrino moves to approve. Seconded by Linda Collins. All approved.

Lapidary saws

- 10-inch saw died again. We should be able to sell for about \$600.
- Washtub 16-inch is hodgepodge, but very limited in what we can cut because the feed motor is dead. We can sell for about \$1000.
- Most of what we cut needs 16 inch or higher
- Post show, purchase a HP 14 inch table top saw. \$1,495 plus ship.
- This will be a 2 for 1 exchange but will give us more flexibility
- Members will get first dibs on saws. Then will take to show to sell.
- Yanitza Sendros moved to approve. Greig Lundergan seconded. All approve

Name of the club

- Confusion among members on the purpose of this club. Social club or educational organization? Should we change name to clarify? "Club" is confusing people of our purpose. Change to "association"?
- We are classified as an educational facility as part of 501c3.

Continued on next page

Continued from previous page

- In the past, we've strayed from that and became more of a social club.
- Name doesn't recognize the original mission.
- Board members agreed we should educate members, not react to feedback. No action taken.

Winter/summer shutdowns

- Motion to close the club around major holidays by Yanitza Sendros, seconded by Tony Carrino. All approved.

Discussion on advertisement options

- Expo Press, goes out to other lapidary pages. \$150 for enhanced plan with unlimited photos, details, contact info, list of vendors, floor plan. Currently only a liner, which is free.
- Better option: FB social media blitz targeting specific audiences
- Budget: FB ads cost \$1200 in 2022 for the Fall show. No budget set for the 2023 show yet.

Election

- Deadline 9/7 for candidates. Online questionnaires will go out.

Move to adjourn by Tony Carrino. Seconded by Greig Lundergan. All approved.
