

CALIFE incorporated

Academy of Art-San Francisco

TurnKey participation offer:

Ownership option in proper direction of branch.

- Ownership percentage reserved for investors of particular item manufacture percentile of overall product line reserved in overall outlined structure potential. Partners.
- Artwork licensing agreement under enforceable Trademark for product retail perpetuity of the specific product labeled and sold.
- Entertainment and Lifestyle product intellectual property licensing agreements

Organization of investor proposals in continued collusion of group justification of funding...

Entire business scope downloadable on linkedin, visit the page of Jonathan James Turner-Frazier.

## Corporate Bylaws of CALIFE

All participants shall:

1. Fulfill any financial dispute to the fullest extent of the law outlined by contract and arbitration.
2. Refrain from hostile takeovers, and unauthorized mergers and acquisitions.
3. Maintain peaceful interactions between all participants in any and all public interactions and private business.
4. All contributions are to be done for the purpose of building catalog, improving professionalism in the public eye, and specifically representing oneself in the most free will service of good nature for the purpose of personal bragging right in personal portfolio, when referencing personal competence in any and all free market, for hire, and personal interactions, until hired for compensation.
5. During natural occurrences of dispute participants shall not force difficult occurrences of hierarchy into the necessity of working together in compliance, in any stalemate or personal belief disagreement.
6. All contributions of service or product are for concept and greater purpose.
7. By no effort of force can one be involved.
8. Contributor agreement for the purpose of startup funding and actual IPO for entertainment multimedia, merchandise, product, services, and management.
9. The board of directors must entirely agree and in Good Faith believe the addition of person to corporate structure to be in the best interest of Trademark organization and its purposes.
10. No form of exclusionary hostile takeover of Trademark corporation CALIFE should exclude another for internal opportunity unless detrimental to public image, and first right to refusal shall always stand in conflicts of interest.
11. No form of uncontracted or unlicensed agreement can be enforced and all disputes and claims to exclusive right shall be taken to the USPTO trial and appeal board.
12. All agreements need to be completed on camera multiple flash handshake and signing in documented agreement of meeting.
13. It is required that people that participate believe in orderly respect of the way the organization progresses in returning revenue and the people who participate in the processes that cause the byproduct of paycheck quality amounts of money.
14. All tentative verbal contracts must be legitimized in writing on camera within a week of their discussion, or spoken about in the first person for a continuation of the consideration.

 loved belief structure which would shave eliminated Criminal law. 12 generation.  
 Fenceboards in true color on rainy days, Blue with Lichen, exactly like Bombay Sapphire, and my Teal Hazel Lichen.  
 Floorboards to eternal blue.  
 Turner Rights of Western Expansion  
 Southern Right of Frazier  
 CaLiFE

Intergalactic truth of analog rights of love and freedom.  
 Brown into Blue, denied by Blue  
 9/11  
 Black and Yellow Criminal law prevailed...

Planckian Locus Color Temperature and prism refraction law in understanding metaphysical molecules theory of earth and light of other physical dimensions that are separated by frequency and particle acceleration due to the theory of all visible media are a reflection of a molecular surface.  
 Dirt/Stone/Water/Vegetation/SkyBlue/Sunset/Midnight.

Dirt being every dead "woodpile" to get some fire under their ass about it, realize they are floorboards needing to rise. Many races parishes into dirt, maybe our color represents our representation of who in Religious concern of ascension on Jacob's ladder.  
 Stone and Oil being how precious their sacrifice was, Water being a molecule that eternally cycles on earth that brings vegetation and wildflower colors, And Blue is High Noon, Sunset, and Midnight. There are many other types of blue, technically. But true Blue is the ascended into the sky.

Aurora Borealis being the neutral light reference of Hazel and mixed greens being a signal and reference in some form to an angel reference of some type that is processing us... As if pure blue or pure brown are right at all.

Human food chain, being 2 types, carnivorous and vegetarian, All being of the human 4 appendage mammal, despite the animal mix the person had in their initial freedom of allowing the Angels and Gods to mix with the Earth.

Theory of Turner Frazier Mill Valley Color actual Religion law development.  
 GT500 Shelby Eleanor, meets Thomas Edmund Frazier after Florence Mullin has a baby with a Brown eyed Boy who was white enough in characteristic to be considered white. Bald, however with Black Blue original White Skin Scotland Husky Dog who genetically causes a full head of hair from a female of a bald man. 13 generations to bald white man from African American, in theory of Religion. Jonathan being the first allowed in Blue, of the bloodline, Uncle Tom being Dad, A Stoneman of the Northern Union controlling a southern Revolutionary Kingdom of Turner as a fighter for the eternal morality of man in the Kingdom of the Scottish Rite, Frazier as it pertains to King James of Scotland the 1st, and England the 5th, in the regiment of Sir William Wallace.

Western States being the duty of The Union soldiers to develop, Kingdom respect being in New York financially, and the Kingdom being spread west for the sake of Christianity and the company CALIFE being true to Jonathan James, by Law in AD American freedom for America in the westernmost point of America in defense against Asia and Russia. The Marin Headlands.
