

These New England roads and trails may be bumpy, but your ride shouldn't be.

Squeaky brakes? Flat tires? Skipping chains?

These are just a few of the things that can hinder you from pedaling a smooth and enjoyable ride.

How we help take the bumps out of your ride

- We offer you a personal bike drop-off experience.
- We will assess what your bike needs to get that smooth ride.
- We will provide you a free, no-obligation estimate.
- We are ready and equipped, from minor adjustments to major overhauls, to get the bumps out of your ride.
- We promise that when you choose us for service, your bike is in good hands.

Schedule your Smooth Ride Tune-Up Here: [\(button to service page\)](#)

All of our Smooth Ride Tune-Up Packages include an overall safety inspection which includes:

- Inflate Tires
- Lube Chain
- Torque Bolts
- Inspect Frame & Moving Parts

Whether you choose one of our Smooth Ride Tune-Up packages or just need a minor fix or adjustment you can have confidence that our goal is to get you back to your ride quickly and safely.
