DIVE into Sunday School!

Whether you are new to St. Paul's or an old friend, we would be thrilled to have you to join us this winter in Sunday School!

This year we are diving deep into the pages of God's Word and navigating through murky waters to discover the depth of God's love for us. In addition, throughout the year we will continue to offer opportunities for children and families to make a splash and put their faith in action by serving others.

We hope you'll join us in this fun time of learning and growing in faith! You are welcome here!

Make a
Splash!

Diving Buddies

Did you know that hawks dive too? This year, we'll be supporting our diving feathered-friends by raising money to adopt a raptor through Hawk Mountain Sanctuary, the world's first sanctuary for birds of prey!

Save your change in the birdhouse banks we'll make in Sunday School Creation Station. Throughout the year you can add your change to the big birdhouse collection box. In Spring, we'll see how many birds we can help.

The year will culminate in a Spring family, educational trip to Hawk Mountain to see some of the birds for ourselves!

Sunday School Christmas Program Letters From Bethlehem

Sunday, December 10

during the 10:30 Worship Service

This year's program includes family readings and songs that will take you into the thoughts and reflections of the traditional Christmas figures as they share their experiences with those close to them.

There will be NO Sunday School on December 24 or 31.

The annual Christmas Eve Candlelight Service with Communion will be held December 24 at 4:00 pm. (a 7:00 pm service will be held at St. Peter's for those who prefer a later service)

Worship Service will be held at the normal 10:30 am time on New Year's Eve.

Sunday School will resume on January 7th.

please note

We will again be collecting new mittens, gloves, hats and scarves to warm the hands and hearts of our neighbors in need. Whether hand-made or store-bought, each is a welcome gift to a child or adult. Clip your items to the tree and help spread warmth and love this Christmas season!

The Sunday School is again sponsoring a fun but serious project we can all get behind. In January and February we will be collecting new men's, women's and children's socks, T-shirts, underwear and long johns which will be donated to men, women and children in need. All donations **MUST** be new and in original packaging or have the sales tag still attached. Donations can be placed in the clothes basket by the CE Bookshelf or given to a Sunday School Guide.
