

Covenant for Church Sponsored Youth Activities

Because I am a precious gift of God and because God calls us to be a community of faith and leaders in Christ's church, I covenant with God and each other that:

- * I will treat all people - including myself - with dignity and respect, both in actions and in language
- * I will respect the property of all people and I will use the facilities and any materials made available to me with care. If I hurt or accidentally damage property, I will take responsibility for the damage done and inform an Adult Team Leader right away.
- * I will participate fully in those activities I attend, working with others to learn and grow from my experience. Cell phones, music players and other electronics are a hindrance to the full participation of myself and others and therefore will not be used during the program with the exception of an emergency situation.
- * I will not smoke or bring or use alcohol and/or illicit drugs, realizing that such behavior is destructive to the Christian community. I will notify an Adult Team Leader if prescribed drugs are necessary.
- * Being overly affectionate in Youth Group creates an environment that is not conducive to learning or to the comfort of those around you. I will show good taste and respect for others by refraining from inappropriate or intimate public displays of affection.
- * Prior to leaving an event, I will notify an Adult Team Leader.

Your safety is of great concern to us. By following these guidelines, we can help ensure that all have a good experience. If at any time a person or situation makes you feel uncomfortable, please speak with one of the Adult Team Leaders, the Director of Christian Education, or the Pastor .

Violation of this Covenant could mean a verbal or written apology,
phone call to parents and/or returning home at own expense.
