Stewardship in Parish Life

Stewardship in parish life is a holistic approach that encompasses the spiritual, communal, and practical aspects of living out one's faith. It involves recognizing that everything we have is a gift from God, and responding to this gift with gratitude and generosity. During the coming months, our parishes will engage in a process that encourage stewardship in the way the parishes are run and in our attitudes. We hope that this process will make us more responsible towards our church and mission. Here are some key elements of stewardship in parish life:

Spiritual Stewardship: Parishioners are encouraged to live their faith as disciples, sharing their gifts of time, talent, and treasure to support the Church's mission.

Community Stewardship: Stewardship committees play a crucial role in fostering a culture of gratitude and active participation within the parish and community. They coordinate annual stewardship efforts, welcome visitors, educate on stewardship principles, and promote transparency.

Financial Stewardship: Stewardship is not just about financial contributions; it involves a total way of life, a conversion of mind and heart, and a recognition of the need to give rather than just giving to a need.

Educational Stewardship: Introducing stewardship into a parish is a spiritual activity meant to make the parish a more spiritual place. It involves educating parishioners about the importance of stewardship and its role in the life of the Church.

Commitment Stewardship: The overarching goal of a parish stewardship plan should be to invite parishioners into deeper personal relationships with Jesus, so that all can live more faithfully as disciples. Stewardship in parish life is a journey that requires commitment, education, and a shared vision for the future. It is a way of life that invites parishioners to embrace their role as stewards of God's gifts and to live out their faith in a way that honors their baptismal promises.

Pope Leo XIV prayer intention for October is for mental health ministry.
Let us pray that mental health ministry be established throughout the Church, helping to overcome the stigma and discrimination of persons with mental illnesses.

From Pius, our church cat, reading this week:

The good deed you do today may be the only sermon some receive.

(from St Francis of Assisi)
