OUR PRODUCTION PROCESS

1 — SOURCING

All start with a good sourcing. For years we have established excellent partnerships with the best local tanneries and abroad (Pucon, Gunduz, La Doma,etc.). We love developing new products with our clients.

2 — CUTTING

The cut with the assortment of colors are the 2 nd most important stage of production,
This process requires skill and attention to detail

3 — STICTHING

The different parts are sewn and assembled by hand and the latest stitching machines to guarantee impeccable quality at each stage of the process.

4 — QUALITY CONTROL

Each piece is carefully inspected to ensure manufacturing quality and optimal comfort for our customers.

SUSTAINABILITY & TRANSPARENCY & TRACEABILITY

SUSTAINABILITY

Since the Corona Virus, people care more for our planet, we decided to go in the direction of Reducing as much as we can any possible pollution we may have in our production processes. It start through an excellent sourcing and we will share all our experiences and alternatives

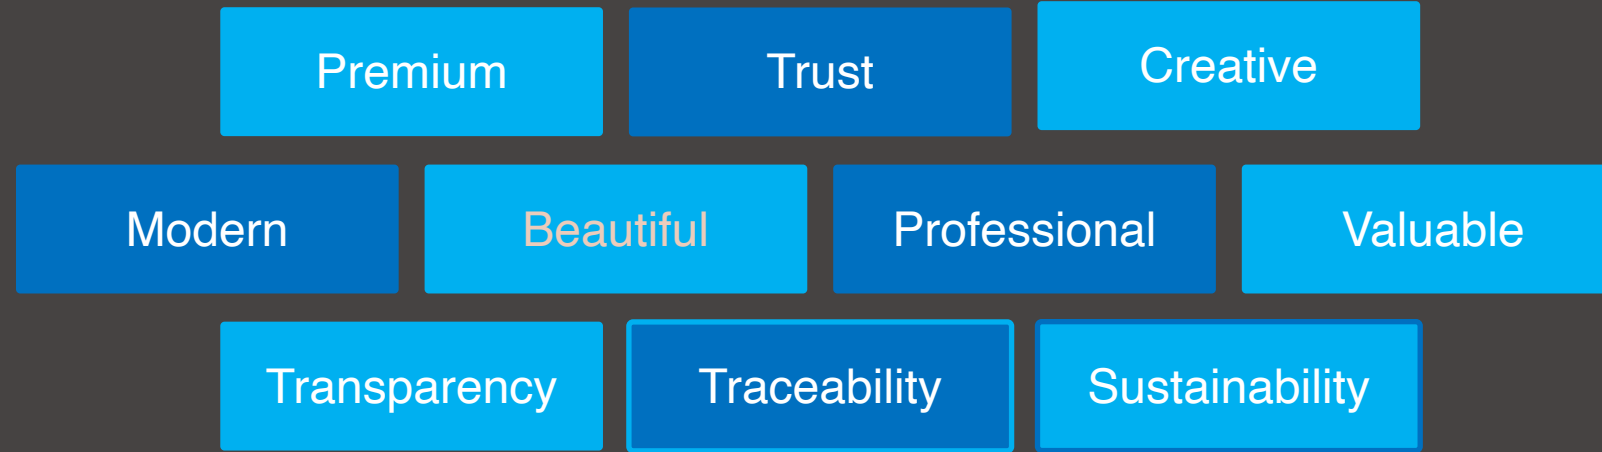

TRANSPARENCY

We love Transparency
This is how we work, this is our policy

TRACEABILITY

We need Traceability
Easy process, it helps us to improve our quality

OUR VISION

We are your perfect partner
