

ST. ROMEDIUS WINE

IRRESPONSIBLY DELICIOUS

2020 LUCCIOLA

Lucciola (pronounced "Lou-cho-la"), meaning Firefly in Italian, is a fun white blend we put together to tickle the senses and brighten your evening.

No need for a food pairing, with a hint of effervescence on the palate, and a bright crisp nose, this wine is perfect for cocktail hour. The blend is made up of Tocai Friulano, Dry Muscat Canelli, and Sangiovese all from organically and sustainably farmed vineyards.

Tasting Notes: Rich, ripe stone fruit mixes with citrus blossom. Crisp on the palate with a refreshing zing coming from the gentle effervescence. A fun and refreshing wine. Smells like summer, tastes like Spring.
