

# ***ST. ROMEDIUS WINE***

IRRESPONSIBLY DELICIOUS

## ***2020 LAMORINDA AVA RED FIELD BLEND***

This is our 5th vintage making wine from the Buckeye Ranch Vineyard in the Lamorinda AVA. It's a small hillside vineyard nestled in the East Bay hills with three varietals planted; Syrah, Petite Sirah, and Zinfandel.

We harvest the entire vineyard together as a field blend and co-ferment the three varieties in stainless steel. We don't inoculate with any commercial yeast or add any nutrients, letting the wine ferment naturally. We age 18 months in neutral oak barrels after which we bottle unfiltered and unfiltered.

Tasting Notes: The 2020 is riper and bolder on the nose than the previous vintage while retaining a herbal berry quality. It's chewy without being drying on the palate. This vintage retained a higher acidity making the wine bright and juicy on the finish.
