

# ST. ROMEDIUS WINE

IRRESPONSIBLY DELICIOUS

## 2021 WHITE TABLE WINE

Sourced from organically farmed vineyards, the 2021 White Table Wine is our California take on a Friuli white blend. We sourced Tocai Friulano, Chardonnay, and Dry Muscat Canelli from small family vineyards in El Dorado and Contra Costa counties to create a lively, approachable, and food friendly blend. This wine was made with native fermentation, minimal intervention, and bottled un-fined and un-filtered.

Tasting Notes: A blend of subdued stone fruit, ripe green apple, and mineral components on the nose. Supple on the palate with gentle acidity and a refreshing presence that lasts through the finish.
