OBJECTIVE

I am an aspiring concept artist who is interested in designing props and environments for the mobile game and video game industries. With an education background in both architecture and illustration, I am capable of visualizing ideas from functional and aesthetic perspectives in traditional and digital mediums.

I am also a passionate illustrator who is proficient in storytelling through narrative illustration.

TECHNICAL SKILL

- Adobe Illustrator
- Adobe Photoshop
- AutoCAD
- Blender
- Clip Studio Paint
- Procreate
- Premiere Pro
- ZBrush

LANGUAGE

- Thai
 - Native
- English
 - CEFR Level: C1

EXPERIENCE

Volunteer Props/Set Dressing Artist | Jan 2025 - May 2025

Asians in Animation, 4P Pilot Pre-Production Program 2025 project: Tea Leaves

- Design and develop props and set dressing in alignment with the production's style guide, creating multiple concept iterations and final clean passes.
- Collaborate with the Art Director and team, addressing feedback, refining designs, and maintaining open communication with production management to ensure timely delivery.
- Maintain organized and professional workflows, including proper file management for efficient production.

Freelance Illustrator | 2016 - PRESENT

- Commission stylized illustrations and logo designs
- Food illustrations for menus, wall decorating, and packagings

Water Color Teaching Assistance | May 2018 - Dec 2018

Janfive Studio

- Managed and prepared workshop materials
- Assisted with student coordination
- Provided hands-on instruction and support, demonstrating watercolor techniques and offering individualized assistance.
