

2019 FHSU student storage information (Dorm)

Regular dorm room storage - \$120 for the summer. Your property will be stored in a cube measuring 42" wide, 72" long and 36" high. Will easily store microwave, mini fridge, TV, plastic tote with drawers and about 10 boxes. One large item such as bookshelf, futon or bike allowed. 80% of dorm rooms will fit this size.

Large dorm room storage - \$170 for the summer. Double the space. Great if you have more stuff than the average dorm room. You can also save \$ and split this size with another student.

We highly recommend using boxes and packing supplies to pack your items properly to avoid damage. TV's are fragile and should be boxed or bubble wrapped.

Items may be brought to our Hays location for storage. We usually allow students to start bringing their stuff up to 1 week before school is out.

We accept cash, check, and all major credit cards. Credit cards can be called in.

We are not responsible for damage – make sure your items are properly packed and protected. If you are concerned about valuable items, you are advised to have them insured through a renters or homeowners policy. Standard self storage policies apply – you will be issued a rental agreement to sign.

Items must be picked up no later than September 1, 2019. If you are needing storage beyond that date please call us to make arrangements.
