Get the care you need, when you need it, where you need it.

Our Digital Health and Connected Diagnostics platform makes it easy to connect with a doctor for a virtual appointment from the comfort of your home. You can also order home test kits, have your results scanned using your smartphone, and have your prescription sent straight to your pharmacy. Whether you have insurance or not, we can help you get the care you need.

Feature Highlights
-Virtual care appointments
-Order home test kits
-Scan your results using your smartphone
-Prescriptions sent to your pharmacy
-24/7 support whenever you need
-Vaccination verification
-Remote patient monitoring
-We offer a variety of payment options

Benefits
-Convenient and easy to use
-Personalized care plans
-Affordable
-Secure

We're here to help you stay healthy, no matter where you are. Please reach out to us at safecdx.com if you are a business looking for virtual care solutions.

Cool app!
This app is awesome for rapid testing
yourself on the fly. You get your results
in minutes… and you don't have to leave
your house! I had a small issue taking a
test, but I reached out to their support
from the app and they got right!

Developer Response,
Thank you so much for your amazing
review! We're thrilled to hear that you
found our SAFE HealthCheck app
awesome and convenient for rapid
testing. We're glad that our support
team was able to assist you promptly
with the issue you encountered. If you
haven't already, we would greatly
appreciate it if you could update your
review rating to 5 stars. Thank you again
for your support!
