COVID-19 Safety Updates

As we return to in-person dance classes, we ask that you continue to follow all of the guidelines so that everyone can return safely!

Screening - Before you bring your dancer to the studio, please pre-screen your dancer for symptoms. Dancers will be asked at the door if they pass the screening questions. The screening questions will not be read out-loud, instead we kindly ask you to read the questions posted on the door and confirm that you/your child have passed the screening.

Masks - All dancers will be encouraged to keep their mask on at all times. Breaks can be accommodated if needed. Dancers should ask their teacher when a break is needed.
