Proof of Vaccination - Age 12+

Proof of COVID-19 vaccination will now be required for anyone over the age of 12 who enters an indoor area of a sports or recreational fitness facility, including JNS Dance. This requirement came into effect on October 31st.

To learn more: <https://www.healthunit.com/news/proof-vaccination-sports-recreation-facilities>

As mentioned in the October newsletter, proof of vaccination (2 valid doses with a date of 14 days prior to the date you are attending) is required for any adult age 18+ to remain in the building for longer than 15 minutes. The waiting room is closed to parents, guardians or family members unless your child is under the age of 4. Proof of vaccination will be required for you to stay in the building. Thank you for everyone's patience and kindness as we navigate through many changes from Middlesex London Health Unit.

2021 JNS Dance Christmas Show

JNS Dance classes will be starting to prepare Christmas dances to showcase at Christmas time! Unfortunately, we are not yet able to perform to an audience in-person, but will record the dances for families to view at-home. **Dances will be filmed during the last week of classes**

**before Christmas,
December 13-18th.**

Keep an eye out for what your dancer should wear for their Christmas dance!
