Founder | Author | Public Speaker  
Employability Coach

## ABOUT ME

Ajay Khanna is not just a trainer or coach. He is a transformation architect—someone who has turned challenges into stepping stones and built a legacy of learning and leadership with heart, humor, and hard-earned wisdom.

As the Founder of The Corporate Masters, Ajay brings all this experience into a purpose-led venture, dedicated to building ethical, empathetic, and empowered professionals. His approach blends evidence-based practices with gamification, storytelling, and a healthy dose of humor—yes, he's also a part-time stand-up comic!
