

Match V Cambridgeshire – Bawburgh GC

Friday 23rd May 2025

Bawburgh was bright and warm for our match V Cambridgeshire, playing for the Crocus Trophy.

Coffee and bacon rolls were served, and the Match Managers welcomed everyone to Bawburgh GC.

Norfolk were indebted to Keith Whiting for standing in at the last moment. We were worried that Graeme Cowie was a little late arriving, but we shouldn't have been concerned. Alan Rose, who was Graeme's partner was though relieved to see him as he wasn't feeling 100%. But as they say, the show must go on.

The extended dry period meant the fairways were running well. But the greens and the definition on the course was really first-class.

A lovely carvery and selection of desserts was superb

Jack Norton, the NGC Captain 2025 presided. He thanked the match managers and organisers for a grand job. Cambridge Captain Chas Vincent paid tribute to the Bawburgh set up. The staff were very helpful; the course was challenging in all the right ways and the food beautiful. A great day and both Captains had their teams toast the other side.

The match result was a win for Cambridge 6½-3½
The Crocus Trophy was then presented to Cambridge.
Jack Norton wished all a safe journey home.
