

Captain's Day Report – Royal Norwich GC

Monday 13th July 2026

After a prolonged period of very hot weather, it was a relief that RN was a more moderate temperature. The day started with Coffee and Bacon Rolls as members mingled and prepared for their golf rounds. At the halfway house, generously provide by Nigel and his wife Evonne, players enjoyed sausage rolls confectionery, fruit and drinks.

The course was playing very well and scoring was fair.

After a lovely dinner the 2026 Club Captain at RN, Paul Robson, gave a belated welcome speech. He hoped everyone enjoyed the course and thanked Nigel for a great day and event. Paul was followed by our 2026 NGC Captain Nigel, who commented how much he had enjoyed his day, even though he hadn't played golf. He thanked the Hon Sec for his work and presented him with a very nice bottle of Port.
