

Match V Essex – Frinton Links GC  
Thursday 23<sup>rd</sup> April 2026

The weather looked, from the interior of my car, as we approached FLGC really good. Sunny with a few scattered clouds. But wow, that NE wind was cutting. With the wind chill factor, it was probably something like 4C. The course was also baring its teeth with the wind buffeting everyone all the time. But the greens were good and the course layout is typically links style. Sandwiches and chips fed our appetites before play, and we were warmly welcomed to FLGC.

A 2-tee start ensured a good pace was established and play proceeded quickly.

A fine carvery meal was enjoyed by all and speeches by Chris Callaway, the Essex Captain and our 2026 Captain. Nigel were listened too intently. Unfortunately, home advantage spiked our best efforts, and the result was 7-3 in Essex's favour.

PKF
