

Match V Hertfordshire – East Herts GC Monday 11th May 2026

The 6th staging of the Norfolk Golf Captains Mixed match v Hertfordshire was held at East Herts GC with 11 pairs travelling for the fixture. Hertfordshire were able to raise 13 pairs, so to keep the match even, one pair were afforded the important task of ensuring that Hertfordshire were certain of a point!!

The forecast for the match looked a bit iffy, but as soon as play started the weather broke and the rain stopped. The course was in excellent condition, presented to the usual high standard and was a true test for all concerned. Both teams enjoyed themselves and the matches were played in great spirit.

A two-course meal of Beef bourguignon, followed by Crème brûlée.

Doug Barson (Herts Captain) welcomed the Norfolk team and expressed what a great success the day had been. He thanked the organisers of both teams for all their efforts. There was a little review of their own match which resulted in an honourable half.

Richard Brown (VC) responded for Norfolk & he thanked the organisers, staff and members of the club for making this an enjoyable day for all. He was left with the task of announcing the result, which is a normal sign of coming second!!

The match was won by Hertfordshire 7½ - 4½, with all matches being close run.

Richard finished with announcing that we are now tied at 3-3 overall since this fixture commenced.
