

Inter-Club Trophy Report – Swaffham GC

Thursday 26th June 2025

HEACHAM MANOR take the 2025 Inter-Club Trophy

The dry conditions meant that the Swaffham golf course was running fast. The course was in great condition and the greens staff must be congratulated for the results of their work. The Norfolk Golf Captains also wish to put on record their appreciation for the support of Club Manager, Rachel Clubb and the Swaffham GC staff.

Fourteen of Norfolk’s golf clubs entered the competition. Teams of eight, with the best four scores counting make for an excellent day. Everyone of the 106 participants playing a part in this well thought out format. This was the fifth time the Trophy has been contested. The actual trophy, is a pewter and silver jug, donated to the Norfolk Golf Captains in 2020 by former NGC Captain, Gary Goodchild. The registration desk was manned by past Norfolk Golf Captain and President, Ian Alderton. The NGC Secretary, Paul Filby managed and provided administration for the day.

Jack Norton, 2025 NGC Captain, presided for the results ceremony supported by the 2025 Swaffham Club Captain, Colin Stacey.
