

Match V Leicestershire & Rutland –
Charnwood Forest GC
Thursday 29th May 2025

A very enjoyable day with great hospitality from Leicestershire and Rutland on a very unique course at Charnwood Forest Golf Club. With mountains dating back 82 million years. We also had to contend with dry stone walls on a course that goes back to 1898.

It was a good match, although we were a couple of players short. We went down 5½-3½

Unfortunately, I forgot to take a change of trousers for after dinner, but Jack Norton, our Captain only mentioned this in passing during the speeches and the presentation of the Sylvester Trophy to L&R. Gary Goodchild, match manager
