

Match V Leicestershire & Rutland –
Bawburgh GC
Monday 8th June 2026

On a damp and unpredictable weather day at Bawburgh Golf Club, with luckily only one very heavy shower, these two teams had their annual battle. Leicestershire had great difficulty in pulling a team together but finally arrived with just one short which meant that Gerry McIntyre had to compete in the first match on his own. The course was in excellent condition and a great days' golf was enjoyed by all.

The hospitality from Bawburgh Golf Club was first class and we enjoyed the mandatory bacon rolls and coffee before the match and a wonderful carvery to round off the day. Our Captain Nigel Elgar welcomed our visitors at the outset and then after the meal reluctantly handed Leicestershire and Rutland back the trophy as the result was an honourable draw which meant our visitors retained the trophy.

A fabulous days golf enjoyed by all and played in the right spirit.
