

# Lincolnshire Match Report

## Thorney Lakes GC

### Thursday 10<sup>th</sup> July 2025

The match with Lincolnshire is always one to look forward to. Good comradery with the best of friends. Lincolnshire held the trophy from 2024 so of course the aim was to get it back! 18 of our finest fought hard but sadly the opposition retained it by, in racing terms "a distance", 7½ to 1½. Perhaps next time.

We enjoyed a fantastic carvery with the usual banter. After dinner ties were presented to 2 new NGC members Mark Heffer and Keith Parker.

It was still 30 degrees when we left after a great day on a super course. Thanks to all.
