

# Northamptonshire Match Report

## Middleton Hall GC

### Wednesday 20<sup>th</sup> August 2025

A good weather day for golf could be how the day turned out. Warm, a little cloud and a little sun.

Middleton Hall course was in 'good nick', the testing layout providing the usual challenge and interest.

The 'prescribed' bacon rolls welcomed everyone and Jack Norton made the introductions.

Some tight games were experienced, but the locals came out on top 4-2.

A very tasty Roast dinner and lemon tart saw everyone return home or to rest well satisfied. Thank you to Middleton Hall for hosting the match and indeed for providing the opposition in the form of their seniors the following day.

A big thank you too for the special prizes sponsored and provided by Bill Boniface
