

Match Report for 2026 NGC V County Juniors at Wensum Valley GC Monday 10th August 2026

Once again we were privileged to play our annual fixture V the County Juniors on the 10th August. This year we played at Wensum Valley on the Wensum course.

This fixture is one of our most popular annual events. My usual statement applies; The NGC, known on this day as 'the old codgers', enjoy the game and it is good to see the young golfers also enjoying the day and playing very good golf.

Wensum Valley GC was like most courses this year, dry! But the protected areas were good and generally the course was very tidy. We had a warm, but not steamy hot was often been the case this year.

Sammy Martin, the Norfolk County Golf Development officer always brings a strong team for this match, and this time around it was no different. NGC was Captained by Nigel Elmar (2026 Captain), ably assisted by Terry Hewitt (2026 President). The starter for this match was Stuart Goodman, Norfolk County Golf President.

After the golf, Nigel thanked the boys for a very good match played in a very good and highly appropriate spirit. Sammy thanked her boys for playing and Stuart also spoke highly about the performance of the boys this year. Replying for the Juniors Liam Caffyn spoke very warmly about the fixture and how much they enjoyed it. As the NGC is in the 50th year, we presented each of the boys with one of our Golden Jubilee golf towels.

The result was surprisingly a win for the Old Codgers 4½-3½. A very narrow win! We are already looking forward to next year's match which will be played at Thetford GC.
