

Match V Nottinghamshire  
King's Lynn GC  
Thursday 16<sup>th</sup> April 2026

Lovely weather welcomed us to Kings Lynn for our first match of the season. For many of the Notts players this was their first visit to KLGC. We picked a good day, and the course was in first class condition.

The usual Bacon rolls were consumed with gusto and Mark Nixon the Norfolk match manager together with David Hood the Notts Captain did all the introductions.

Golf was of a high standard and compliments for the course were very much in evidence after the various games.

After golf a lovely meal was enjoyed by all and the Club Captain Richard Ambrose gave us a belated warm welcome to KLGC. Nigel Elmar, Norfolk's Captain presented nearest the pin prizes to Steve Ness of Nottinghamshire and Ian Harvey of Norfolk for their respective shots on the 16<sup>th</sup> hole.

The overall result was announced by David Hood who thanks KLGC for their hospitality and the match mangers/secretaries. The result was 7-3 to Norfolk and good start for the locals in 2026.
