## Description

### 1989 Luhrs Tournament 400 FOR SALE in Whitby, Ontario

#### Great Lakes Cruiser with Recent Upgrades

#### Built on a Foundation of Offshore Heritage and Innovation

Luhrs Marine has long stood as an icon in American boat building, renowned for constructing rugged, sea-kindly hulls designed to handle demanding offshore conditions. Originally gaining acclaim among serious anglers along the Atlantic coast, the builder earned a reputation for combining rock-solid structural integrity with smooth, predictable handling. Their signature deep-V and modified-V hull profiles were engineered to cut through chop effortlessly, providing a stable, dry ride that gives captains absolute confidence at the helm.

That legacy of durability and thoughtful engineering shines through in every detail of their classic cruisers. Luhrs built boats to withstand the test of time, utilizing heavy-duty fibreglass construction, robust stringer systems, and practical layouts that prioritize functional space. For buyers searching the Great Lakes market today, a well-maintained Luhrs offers an incredible balance of proven offshore heritage, timeless classic lines, and long-lasting structural reliability.

#### The Ultimate Blend of Flybridge Comfort and Spacious Liveability

For boating enthusiasts seeking a capable 40-foot power cruiser in Ontario, this 1989 Luhrs Tournament 400 represents a sweet spot in size, capability, and value. Designed with a wide 14-foot beam, this model delivers the interior volume typically found on much larger vessels, making it an ideal platform for extended weekend cruising, entertaining family, or embarking on summer voyages across Lake Ontario. The elevated flybridge provides command views of the water, while the spacious cockpit transitions seamlessly into the light-filled main salon.

Under the hood, twin Crusader 454 engines deliver dependable power and smooth cruising performance, allowing you to reach your favourite anchorages with ease. The modified-V hull tracks cleanly through lake chop, ensuring your guests stay comfortable whether you are running across open water or maneuvering into a slip. It is a design engineered to make short-handed docking stress-free while offering the range and stability required for open-water exploration.

Step inside, and the vessel reveals a warm, expansive two-cabin layout that feels like a home away from home. The forward master cabin features a generous queen berth with direct access to the head, while a dedicated guest cabin with twin bunks provides privacy for family or visiting crew. Recent interior enhancements, including fresh upholstery and modern galley appliances, breathe new life into the living quarters, offering a fresh, contemporary aesthetic without compromising on classic coastal charm.

Whether you envision relaxing at the marina, hosting friends for evening sunsets, or cruising the Thousand Islands, this Luhrs Tournament 400 offers an accessible entry point into serious flybridge cruising. It combines generous living areas, mechanical dependability, and modern comfort upgrades into an inviting, high-value package tailored for freshwater adventure.

### Key Features & Highlights

#### Mechanical & Navigation Capabilities

- Twin 454 Crusader Engines (1,000 Hours): Proven, smooth-running powerplants that provide reliable cruising speeds and excellent handling in open water.
- Lowrance Electronics: Clear navigation feedback at the helm to enhance situational awareness while exploring new anchorages.
- New Electric Anchor Windlass (2025): Effortless, push-button anchoring for stress-free stops in your favourite bays along Lake Ontario.

- Upgraded 50-Amp Shore Power Service (2023): Delivers robust electrical capacity to run onboard systems seamlessly while docked.
- New Automatic Bilge Pumps (2026): Provides ultimate peace of mind and protection for marine safety.

#### On-Deck & Outdoor Living

- Custom Flybridge & Rear Enclosure (2022): Extends your boating season, keeping you warm and dry during crisp spring mornings or cool autumn runs.
- Expansive Aft Cockpit: Generous outdoor footprint ideal for setting up lounge chairs, fishing, or enjoying alfresco dining at the dock.
- Wide Side Decks: Safe, secure forward transit when handling lines or relaxing on the foredeck.

#### Interior Comforts & Galley Upgrades

- Fresh Interior Upholstery (2024): Clean, modern fabrics give the salon a bright, welcoming atmosphere for entertaining guests.
- Updated Fridge-Freezer Unit (2025): Modern cold storage keeps provisions fresh for extended weekends away from the marina.
- Full Galley Setup: Complete with a cooktop, microwave, and deep sink for effortless meal preparation on the water.
- Climate Control System: Integrated heat and air conditioning ensure total comfort regardless of midsummer heat or late-season chills.
- New Electric Head & Hot Water Heater (2024 / 2026): Modern sanitation and a fresh hot water system make extended stays feel like a boutique hotel.
