BREEZEWAY YACHTS INC

Description

JUST LISTED.

Freshwater Catalina 30 in very nice condition.

Newer Canvas, Universal Diesel with low hours, Raymarine Instruments, Standard Horizon Chartplotter and VHF, updated interior.

The Catalina 30 MkII entailed some slight design changes from the original Catalina 30, the most significant being the cutout for the walk thru pushpit. The Catalina 30 MkII features all of the elements that made the original the most popular 30 footer ever built in North America, including a generous sized vee berth, large salon, and aft double berth.
