

Hunter 410

Make	Model	Length	Price	Year	Condition
Hunter	410	41 ft	\$ 116,999 CAD\$ 155,233	2001	Used
Boat Name	Hull Material	Draft	Number of Engines	Fuel Type	
Grandfather's Song	Fiberglass	5 ft	1	Diesel	

Fresh Water 2 Cabins / 2 Heads Not to be missed, this exceptional vessel has been sailed in Fresh Water only and pride of ownership from stem to stern sets this very capable vessel apart from the pack. With an LOA of just over 43' the Hunter 410 is a big boat in a compact package. Very successful model the 410 for Hunter proved not only to be a nimble, well balanced and manageable boat for the Great Lakes but also when outfitted properly, a capable Caribbean cruiser. From the near vertical and modern looking stem, clean sighline, roomy cockpit, walk-thru stern with plenty of storage to the bright and airy and rich teak below... the Hunter 410 conveys the feeling of a much larger boat however, in a compact and manageable package. Well balanced

on the helm, true tracking and with a very good turn of speed the Hunter 410 will not disappoint and Grandfather's son current owner has maintained and upgraded the boat better than anything else on the Great Lakes. Professional maintained at all times

Max Draft: 5.00 ft

Manufacturer Provided Description

Hunter Marine's evolutionary innovation shows in the Hunter 410.

Backed by over 25 years of experience, the 410 really delivers.

The spacious salon includes everything to make cruising a comfortable experience.

Plenty of hatches and ports keep the salon bright, airy, and well-ventilated.

The highly polished dining table is central to entertaining and serving meals.

Elegant fabrics and rich teak combine to create a warm and luxurious atmosphere.

A separate navigation station houses all electric controls as well as providing plentiful space for electronics.

The aft head includes a stall shower, Corian vanity, and lots of storage.

Dual access to the large head keeps it private yet convenient. Aft, there is a master stateroom that features a huge queen berth, hanging lockers, and a host of storage facilities right down to the hanging carry-on closet.

Lighting and ventilation is excellent and there is full head room as well.

Forward, the full size stateroom has its own en suite head, overhead hatches, and more drawers and hanging lockers than found on much larger yachts.

The starboard side galley is very open with large, wide Corian counters, three-burner range with oven, microwave, triple access refrigerator-freezer, trash receptacle, and plenty of storage.

Even the dishware and rack are included.

Comfort, convenience, and utility were Hunter's design goals and the new 410 meets them head on.

Hunter Marine's keel boats are the backbone of the Hunter fleet.

These spacious and comfortable cruisers are incredibly appointed from the rich fabrics to the top-grade hardware.

Hunter Marine Hunter Marine Corporation was founded in 1973 to build truly affordable sailboats.
