you're looking for a sweet sailing midsize cruiser with maximum space and amenities, then look no further. The Hunter 38 offers more of everything on a sturdily constructed Glenn Henderson designed hull with a sleek and stylish profile. The fractional sail plan delivers power without perspiration to the stable and easily driven hull shape for outstanding performance and maneuverability. The cockpit features a Plastiteak non-skid surface and a solid, direct drive steering system that provides fingertip control. An especially nice touch is a pair of dual stern rail seats. The "best seats in the house" are fully integrated into the cockpit design and firmly connected to the stainless cockpit Traveler Arch™. A Hunter trademark feature, the cockpit Traveler Arch™ reduces mainsheet load and places the traveler controls within easy reach of the helm. A wide beam and strategic placement of the mast compression post open the salon to immense proportions for a 38 footer. The forward facing nav station and expansive galley loaded with storage space distinguish the Hunter 38 as a boat without compromise on interior comforts. The aft stateroom spans the entire width of the boat providing room for dual hanging lockers, drop-in storage, dressing seats on both sides and private access to the head compartment. Forward, your crew will appreciate a cabin that has lots space to move around and organize their personal gear. As with all Hunters, quality components and easy systems access reduce maintenance time so you can relax.

## Measurements

LOA: 38 ft 2 in  
LWL: 34 ft 9 in  
Beam: 12 ft 1 in  
Max Draft: 5 ft  
Ballast: 6128 lb  
Displacement: 18342 lb  
Fuel Tanks Capacity: 35 gal  
Fresh Water Tanks Capacity: 75 gal  
Holding Tank Capacity: 34 gal  
Number of Heads: 1

## Propulsion

*Engine #1*  
Engine Make: Yanmar  
Engine Model: 3JH4E  
Primary Engines: Inboard  
Power: 40 hp

## Deck/Hull

Anchor Well for Rode and Chain  
Anchor Rollers Dual Offset  
Balanced Spade Rudder  
(6) Stainless Steel Bow, Stern and Spring Cleats  
Bronze Seacock w/Thru-Hulls Below Waterline  
Balsa-Cored Hull Sides, Solid FRP Bottom and Structural Grid Reinforcement  
Dorade Vent  
Double Lifelines w/3 Gates  
(2) Fixed Hull Ports  
Keel Shoal Draft Bulb Wing, Antimonious Lead  
LPG Tank Storage for Two Bottles  
(5) Opening Deck Hatches w/Screens  
(6) Six Opening Ports w/Screens  
Rubrail w/Stainless Steel Insert
