Engine #1

Engine Make: Yanmar

Engine Model: 3YM30

Primary Engines: Inboard

Hours: 300

Power: 29 hp

Propeller Type: 3 Blade

General Info

The Beneteau 34 Oceanis is one of the best looking, easiest to sail and most comfortable boats in this size range. The galley and head are huge for this size boat. The Cockpit is also large, comfortable and well laid out.

The interior of the Beneteau 34 maximizes space and comfort. Designed by Nauta, the rich Alpi wood interior contributes to the light and airy feeling.

There is a V berth forward with opening hatch and hanging locker to starboard. The main salon has a U shaped settee to port and straight settee to starboard. There is a centerline dining table with leaves that fold up on both sides. The aft facing nav station is to starboard at the end of the settee.

The galley is at the base of the companionway to port. Next aft is the large private aft stateroom with hanging locker and room to stand or sit before the berth. The head with separate shower stall is across to starboard. She has plenty of opening hatches with screens and shades.
