Description

The Rinker Legacy: Family-Built Value

For nearly 60 years, Rinker was the gold standard for American-made, family-focused boating. Founded by Lossie Rinker on the White River in Indiana, the company grew from a small racing hull shop into one of the most respected names in the industry. Their philosophy was simple: **give the boater more features for less money**. Unlike boutique brands that charged a premium for the name alone, Rinker focused on "value-added" engineering—meaning they included standard features that most competitors listed as expensive upgrades. When you buy a Rinker, you are buying a legacy of durability and honest craftsmanship.

The Fiesta Vee 270: The Ultimate Weekender

The 2001 Rinker Fiesta Vee 270 is widely considered the "sweet spot" of the Rinker lineup. It offers the spaciousness and stability of a dedicated cruiser while remaining nimble enough for easy dockside handling and spirited performance. The 270 is famous for its **expansive cockpit layout**, featuring a wrap-around lounge and a refreshment center that makes it a premier platform for entertaining. Below deck, the 6' 3" of headroom and a clever mid-cabin layout provide enough room to comfortably sleep four, making it a true home-away-from-home on the water.

With its sleek lines and high-performing hull design, this 270 doesn't just sit pretty at the marina—it handles the chop with confidence. Whether you're planning a sunset cocktail cruise or a full weekend at a secluded cove, the Fiesta Vee 270 delivers a premium cruising experience without the premium price tag.

Key Features & Amenities

Exterior & Cockpit:

- Integrated Swim Platform: Features a heavy-duty telescoping ladder and a transom shower (hot/cold) for easy post-swim rinsing.
- Walk-Through Windshield: Safe and easy access to the bow for anchoring or sunbathing.
- Cockpit Refreshment Center: Includes built-in storage, and a dedicated spot for a removable cooler.
- Full Bimini Top: Also a Camper Enclosure.
- Helm Seat: Comfortable seating with a flip-up bolster for better visibility during docking.

Interior & Cabin:

- Stand-up Head: A fully enclosed fiberglass head compartment with a marine toilet, sink, and shower.
- Full Galley: Equipped with a single-burner stove, refrigerator, and stainless steel sink.
- Convertible V-Berth: Huge forward dinette that converts into a spacious double berth.
- Aft Cabin: A comfortable, tucked-away double berth with an opening portlight for ventilation.

Pride of ownership is visible in the care shown for the boat along with the many recent upgrades.
