Description

KNOT NORMAL – 2002 CARVER 350 MARINER FOR SALE in Toronto, Ontario

Featuring Twin MerCruisers with V-Drives & Bow Thruster

Carver Yachts: A Legacy of Marine Engineering

For over six decades, Carver Yachts has stood as a premier American boatbuilder renowned for maximizing interior volume, structural integrity, and long-range cruising comfort. Carver pioneered innovative hull designs that seamlessly balance offshore performance with unmatched living space. Built with meticulous hand-laid fiberglass and robust stringer systems, Carver hulls are engineered to handle demanding waterways with ease and confidence.

Boating enthusiasts across North America trust Carver for their thoughtful ergonomics, heavy-duty construction, and enduring resale value. Whether navigating coastal stretches or embarking on extended inland passages, Carver Yachts provides an ideal blend of luxury, safety, and dependable mechanical design that has cemented its legacy in marine engineering.

The Carver 350 Mariner Experience

The 2002 Carver 350 Mariner is an iconic mid-sized cruiser designed specifically for social entertaining and extended coastal or freshwater cruising. Featuring single-level exterior flow with extra-wide side decks leading directly to forward bow seating, the 350 Mariner offers single-handed docking safety and effortless access for guests of all ages.

Powered by reliable twin 320hp MerCruiser 350 Mag MPI inboard engines with traditional V-drives and an upgraded Vetus bow thruster, this vessel delivers confident maneuverability in tight marinas along Lake Ontario and the Great Lakes. The spacious flybridge helm elevates the operational experience, providing sweeping 360-degree sightlines, multi-camera monitoring, and expansive guest seating.

Step below into the legendary full-beam salon, where floor-to-ceiling volume creates an open concept atmosphere unmatched in its class. Accommodating up to 12 guests during day cruises or overnighting 4 to 6 comfortably, the interior pairs a full galley, reverse-cycle climate control, and dedicated entertainment systems with abundant storage lockers.

Ideal for couples, growing families, or Great Lakes loopers, the Carver 350 Mariner delivers the roominess of a much larger motor yacht inside an easily handled 39-foot package. KNOT NORMAL represents a well-maintained example ready for immediate cruising.

Highlights & Standout Features

- **Performance & Handling:** Twin 320hp 6.1L MerCruiser 350 Mag MPI inboards with V-drives (~1380 hrs), Vetus bow thruster, 4-blade propellers, Kohler 7.3 kW generator.
- **Helm & Navigation Electronics:** Raymarine RL70 chartplotter and radar, Raymarine autopilot and TriData, Standard Horizon Matrix AIS/GPS VHF with RAM mic, 9-inch helm monitor connected to port, starboard, and stern cameras.
- **Deck, Cockpit & Exterior:** Full cockpit enclosure (rear portion new 2025 with fresh windows), large extended swim platform, See Weed dinghy davits, underwater LED lights, Maxwell electric anchor windlass with bow foot switches and remote helm controls, double bow sun seat with cushions, Isotherm bridge fridge, gas grill.
- **Interior Comfort & Liveability:** Full-beam salon seating for 12, salon table converting to double berth, forward owner's cabin with double berth and Sharp TV/DVD, marine Air 16,000 BTU reverse-cycle heat and A/C, central vacuum system, Kenwood audio with subwoofer.
- **Galley & Domestic Systems:** Two-burner electric stove with oven, NovaKool fridge/freezer, LG microwave, built-in Black & Decker coffee maker, molded-in sink, Vacu-Flush head with dedicated shower enclosure and Tank Watch

monitor.

- Electrical & Storage Extras: ProNautic 1240P battery charger, Motomaster 1500W inverter, 5-battery bank, custom winter storage cover, 8-pad steel cradle.
