Description

2003 Mainship Pilot 34 Sedan | Beautiful and Rugged Great Lakes Trawler

Overview

Breezeway Yachts is proud to present this exceptional **2003 Mainship Pilot 34 Sedan**. Currently located in the beautiful waters of **Manitoulin, Ontario**, with a planned move to **Whitby, Ontario**, this vessel represents a rare opportunity to own a meticulously maintained "Downeast" style cruiser.

Ideal for the Great Lakes or the Great Loop, this Pilot 34 combines classic lines with modern reliability.

As a boutique yacht brokerage based in **Toronto**, Breezeway Yachts specializes in connecting discerning buyers with high-quality inventory across **Ontario** and **North America**.

The Heritage: Mainship Corporation

The **Mainship Corporation** carved out a unique niche in the boating world by mastering the "trawler" concept for the modern cruiser. Originally part of the Luhrs Mainship Group, the builder became synonymous with fuel-efficient, sturdy, and accessible cruising vessels. Their philosophy focused on providing the "trawler lifestyle"—slower speeds, incredible fuel economy, and sea-kindly hulls—without the intimidating maintenance or price tag of heavy North Sea voyagers.

Throughout the late 90s and early 2000s, Mainship dominated the North American market by blending traditional aesthetics with fiberglass innovation. Their boats are celebrated for their production quality and thoughtful ergonomics, making them a staple in marinas from the Florida Keys to the Georgian Bay.

The Legend: Mainship Pilot 34 Sedan

The **Mainship Pilot 34 Sedan** is arguably one of the most successful designs in the company's history. Drawing inspiration from the rugged lobster boats of New England, the Pilot 34 features a semi-displacement hull with a full keel, providing a stable and predictable ride in various sea states. The "Sedan" configuration is highly sought after, offering a sheltered, hard-top helm deck that extends the boating season in northern climates like **Ontario**.

Inside, the 34 Sedan punches well above its weight class. It features a spacious cabin with a full galley, a large head with a shower, and a versatile V-berth that converts into a massive double bed. The seamless transition from the open cockpit to the protected helm deck makes it the ultimate platform for entertaining friends or embarking on long-range coastal cruising.

Specifications & Key Features

- Year: 2003
- Make/Model: Mainship Pilot 34 Sedan
- Location: Manitoulin / Whitby, Ontario
- Condition: Very Good (Pride of ownership is evident throughout)
- Hull Material: Fiberglass
- Engine: Reliable Twin-Diesel performance and reliability
- Key Features: Spacious cockpit for entertaining or lounging, and a bright, airy salon

Why Choose This Mainship Pilot 34 Sedan

This vessel has been kept in **freshwater**, preserving the hull and mechanical systems far better than saltwater counterparts. Whether you are looking for a weekend getaway on **Lake Ontario** or a capable vessel for the **Trent-Severn Waterway**, this Mainship is turnkey and ready for her next adventure.

An interesting note, this particular Mainship was built for Warren Luhrs to showcase the Mainship character, and the Chartplotter still displays Warren and Linda's names at startup!
