Description

Featured Yacht: 1984 Hunter 34

The **Hunter 34** (built by the renowned **Hunter Marine**) is a celebrated **cruising sailboat** known for its spacious interior, comfortable amenities, and solid performance. Designed for easy handling and enjoyable family **cruising**, this vintage **sail yacht** represents an excellent opportunity for a new owner to step into the world of **yachting** without a major investment.

This specific **1984 Hunter 34** is a well-loved vessel in average condition, ready for its next adventure on **Lake Ontario** or beyond. It offers a great platform for the budget-conscious sailor seeking a reliable **mid-30s cruiser** with the classic lines and livability that Hunter is famous for.

Engine and Sails (Ready to Sail!)

- Power: Reliable **Yanmar 3GM 25 HP Diesel engine** (metric toolset included for maintenance!).
- Performance Sails: Upgraded, high-quality **TriRadial sails by North Sails**, including a **Genoa 130%** and a **TriRadial Main**, ensuring excellent performance on the water.

Navigation and Electronics

This **sailing yacht** is equipped with essential electronics for safe navigation:

- GPS: **Raytheon GPS**, conveniently **pedestal-mounted** in the cockpit.
- Data Instruments: **Depth, Speed, and Water Temperature** gauges, also **pedestal-mounted**.
- Wind: **Wireless Wind speed/direction indicator** and gauge, both **solar-powered** and **deck-mounted**—a modern upgrade!
- Communication: **VHF radio** with a remote microphone for ease of use.

Comfort and Cruising Amenities

The Hunter 34 is designed for comfortable **Great Lakes cruising**:

- Galley: Equipped with **12v Refrigeration** for extended trips.
- Water System: **Hot and Cold Pressure Water** for convenience.
- Entertainment: **AM/FM Radio with Bluetooth** connectivity, featuring speakers both inside the cabin and in the cockpit for social sailing.
- Cockpit Comfort: Includes a **Dodger** for protection against spray and sun.
- Safety Upgrade: Original **thru hull valves** have been professionally replaced with modern **ball valves** for enhanced safety and peace of mind.
