Description

AVALON SUNSET II – 2005 BENETEAU 323 FOR SALE in Greater Toronto Area

Featuring Upgraded Electronics, Solar Power, and Barrier Coated Hull

Groupe Beneteau: A Legacy of Marine Engineering

Groupe Beneteau stands as one of the most recognized and respected shipbuilders in modern naval architecture. Founded on a passion for performance and innovation, the French shipyard has set industry standards for hull design, structural integrity, and ergonomic living spaces. Beneteau combines precise production technology with skilled craftsmanship, creating cruising yachts that deliver exceptional stability, responsive handling, and lasting market value across the globe.

Every Beneteau sailboat is engineered to handle diverse sea conditions while offering absolute peace of mind to the captain and crew. Utilizing robust structural grids, high quality composite materials, and balanced sail plans, Beneteau builds vessels that excel on open coastal water and inland waterways alike. Cruisers worldwide trust the brand for its consistent focus on crew safety, low maintenance demands, and long distance reliability.

The Beneteau 323 Experience

The Beneteau 323 is widely celebrated as one of the most intelligent compact racer-cruisers ever designed. Engineered for sailors who demand both lively performance under sail and full scale comfort at anchor, this vessel tracks smoothly, stiffly, and predictably. Its balanced hull form offers surprising speed in light air, yet remains surefooted and easy to control when breezes build across Lake Ontario.

Designed with short-handed sailing in mind, the Beneteau 323 features control lines led aft to line stoppers and winches on the coachroof. The deep, protected cockpit allows the single handed sailor or cruising couple to trim, adjust, and steer with complete confidence. Moving around the decks is straightforward and safe, supported by wide side decks, sturdy lifelines, and a well thought out deck layout.

Stepping below through the companionway reveals an interior space that feels remarkably large for a 32 foot cruiser. High ceilings, two large overhead skylights, and opening portlights flood the salon with natural light and fresh air. The layout includes two private staterooms, a fully equipped galley, a proper navigation station, and a surprisingly expansive head with a separate shower area and wet gear locker.

Whether you plan to explore the Great Lakes, enjoy weekend getaways with family, or participate in local club racing, the Beneteau 323 adapts seamlessly. Avalon Sunset II offers the ultimate balance of manageable size, low maintenance demands, and authentic cruising capability for discerning buyers seeking a quality vessel in Ontario.

Highlights & Standout Features

- Performance & Rigging: Fully battened mainsail, furling genoa with newer sock, gennaker with whisker pole, Flexofold 2-blade propeller, and replaced rudder bearing (2019).
- Electronics & Navigation: Raymarine eS7 Hybrid Touchscreen plotter with Navionics North America charts (2019), Raymarine ST6001 below-deck autopilot, ST60 TriData, ST60 Wind, and ICOM VHF radio.
- Power & Systems: Two 110W SunPower solar panels with controller and remote display (2019), Yanmar 2GM20F 20hp diesel, dual 6V golf cart house battery bank, and LED navigation and anchor lights (2019).
- Hull & Deck Upgrades: Bottom stripped to gelcoat, keel prepped to metal, and sealed with 6 coats of Interprotect epoxy barrier coat plus fresh antifouling (2019).
- Canvas & Comfort: Dodger, bimini, connector panel, newer cockpit cushions, Fusion MS-RA70 Bluetooth stereo (2019), updated interior upholstery (2019), and custom Island Canvas winter cover (2018).
