Description

2012 HUNTER e33 'PURE DELIGHT' FOR SALE in Whitby, Ontario

Easy-Handling Lake Ontario Cruiser with Bow Thruster

Legendary Innovation; The Hunter Marine Heritage

Hunter Marine has long stood as a titan in American boatbuilding, renowned for delivering thoughtfully designed, easy-to-sail cruisers that maximize living space and shorthanded capability. Founded on the principle of making the sailing lifestyle accessible without compromising structural integrity or onboard comfort, Hunter pioneered key design evolutions that transformed modern coastal cruising. Their commitment to strong composite construction, robust hull grids, and ergonomic deck layouts has earned the brand a loyal global following among seasoned sailors and newcomers alike.

The signature B&R rig design eliminated the need for a backstay, creating a wide-open cockpit layout and allowing for a larger, highly efficient mainsail. Hunter vessels built during this era stand out for their clever structural integration, durable gelcoat finishes, and exceptional interior volume. When purchasing a Hunter cruiser, buyers secure a vessel backed by decades of proven engineering, stable performance, and an enduring resale reputation across the Great Lakes and beyond.

Uncompromised Comfort and Capability; The Hunter e33 Overview

The 2012 Hunter e33 "Pure Delight" represents the sweet spot for sailors seeking a manageable, mid-sized performance cruiser. Designed to balance spirited speed with effortless singlehanded or shorthanded operation, this model features a shallow draft wing keel that opens up endless possibilities for exploring shallow bays and quiet anchorages across Lake Ontario and the upper Great Lakes. Its clever hull design provides exceptional initial stability, giving confidence to crew and guests whether on a relaxed sunset sail or navigating active summer chops.

Moving aboard, the layout is specifically optimized for open-air entertaining and smooth shorthanded seamanship. The spacious cockpit features Hunter's popular stern-rail seats, providing elevated panoramic views under sail. All key lines are led neatly aft to the safety of the cockpit, allowing the captain to hoist, trim, and douse sails without stepping onto the side decks. With both a furling mainsail and furling genoa, setting and dousing canvas is entirely effortless.

Below deck, the Hunter e33 punches far above its weight class in sheer usable volume and natural lighting. Massive overhead deck windshields flood the main salon with daylight, creating a warm, inviting atmosphere that feels like a much larger yacht. The open-concept salon boasts impressive headroom, a dedicated navigation station, and a rich wood finish that balances contemporary styling with traditional maritime warmth. It is an ideal setting for hosting friends or unwinding after an invigorating day on the water.

For weekend getaways or extended summer vacations, the two-cabin layout ensures absolute privacy and restful nights. The forward V-berth offers a cozy retreat for guests, while the expansive aft cabin provides a wide double berth situated beneath the cockpit floor. Combined with a fully equipped L-shaped galley and a head featuring an electric toilet, "Pure Delight" provides all the comforts of home, making it an exceptional choice for couples or families seeking an affordable, turn-key entry into high-quality cruising.

Key Features & Highlights

Performance & Handling

- **Factory Bow Thruster:** Equipped with a dedicated battery and remote control, making tight docking maneuvers at crowded marinas completely stress-free.
- **Yanmar 29hp Diesel with Saildrive:** Reliable, efficient auxiliary power paired with a 3-blade folding propeller for superior speed under power and minimal drag while under sail.

- In-Mast Mainsail Furling & Furling Genoa: Effortless sail handling entirely managed from the cockpit, allowing safe and simple singlehanded sailing.
- Selden B&R Fractional Rig: Eliminates the backstay to clear up cockpit space and optimize mainsail efficiency, supported by an adjustable boom vang and inboard jib tracks with car controls.

Outdoor Living & Deck Amenities

- Cockpit Comfort & Protection: Full canvas protection including a dodger with clear window covers, bimini, custom cockpit cushions, and a fold-out cockpit table for outdoor dining.
- Easy Water Access: Integrated transom swim platform with a stainless steel boarding ladder, transom shower, and dinghy davits for quick tender launching.
- Effortless Anchoring: Electric windlass with remote control for smooth, hassle-free anchoring in your favorite bays.

Interior Comforts & Electronics

- Navigation Suite: Fully integrated Raymarine C80 chartplotter, radar, wheel autopilot, and ST60+ instrument suite (depth, speed, wind direction) for confident coastal navigation.
- Modern Galley Conveniences: 12V front-loading refrigeration with freezer compartment, propane stove with oven, microwave, and deep stainless steel sink.
- Entertainment & Utilities: SONY stereo system connected to BOSE cabin speakers and waterproof cockpit speakers, TV/DVD setup, hot/cold pressure water, and electric marine head.
- Off-Season Protection: Includes a fitted Island Canvas winter cover and custom folding steel cradle for safe storage.
