Description

1995 Carver 325 Aft Cabin Motoryacht - For Sale – Toronto, Ontario

Breezeway Yachts is proud to present this beautifully maintained 1995 Carver 325 Aft Cabin Motoryacht, currently located in Toronto, Ontario. Perfect for Great Lakes cruising, weekend entertaining, or extended stays on the water, this vessel embodies the exceptional space and reliability that Carver is famous for. If you are searching for a capable cruiser or a comfortable cottage-on-the-water in the Greater Toronto Area, this Carver 325 represents an incredible opportunity.

The Carver Legacy: Master Builders of Comfort and Volume

For decades, Carver Boat Corporation has been a household name among North American boaters, recognized for pioneering the art of maximizing interior living space. Founded in Milwaukee, Wisconsin, and later establishing its legendary manufacturing footprint in Pulaski, Wisconsin, Carver built its reputation on structural integrity, innovative layouts, and user-friendly designs. They mastered the "cabin forward, high-freeboard" philosophy, ensuring that owners received the maximum possible square footage per foot of length.

Carver's commitment to quality construction—utilizing robust fiberglass hulls, well-engineered stringer systems, and handcrafted wood cabinetry—has allowed their vessels to stand the test of time. Unlike many contemporary builders who sacrificed comfort for sleek, narrow profiles, Carver prioritized the lifestyle of the boater. This dedication to liveability has made pre-owned Carver yachts highly sought after in the Great Lakes brokerage market, consistently holding their value for families and loopers alike.

The Carver 325 Aft Cabin: A Masterpiece of Spatial Engineering

The 1995 Carver 325 Aft Cabin Motoryacht is widely celebrated for offering the accommodations of a much larger vessel within an easily manageable 32-foot frame. The defining feature of this model is its aft-cabin layout, providing exceptional privacy for owners and guests. The private aft cabin features comfortable berths with ample storage, while the forward open V-berth offers a welcoming space for guests or crew, making it an ideal family cruiser for navigating Lake Ontario and beyond.

Stepping into the salon, you are greeted by an airy, light-filled interior, courtesy of expansive wraparound windows. The clever tri-level floor plan seamlessly connects the salon, a fully equipped galley, and a convertible dinette. On deck, the elevated bridge offers excellent visibility for the captain, while the spacious aft deck serves as the ultimate outdoor patio for evening cocktails or morning coffee. This specific 1995 model is in good condition, showing pride of ownership and readiness for its next chapter.
