Description

2009 DELPHIA 40.3 'CELTIC PIXIE' CRUISER Sailboat for Sale in Hamilton, Ontario - Upgraded 4 Cabin Layout

Discover **Celtic Pixie**, an exceptional 2009 Delphia 40.3 cruising sailboat currently located in Hamilton, Ontario. Presented in very good condition by Breezeway Yachts, this highly capable blue-water cruiser blends robust European construction with modern long-distance cruising upgrades. Featuring extensive navigation retrofits, renewable power, and a flexible four cabin layout, she stands ready for local Lake Ontario adventures or extended offshore voyages.

The Delphia Yachts Legacy

Delphia Yachts was established in Poland in 1990 by brothers Piotr and Wojciech Kot. Over decades of dedicated craftsmanship, the shipyard earned a stellar global reputation for engineering true ocean-going sailboats and powerboats designed to withstand demanding maritime conditions. Combining traditional boatbuilding heritage with modern precision manufacturing, Delphia quickly became one of Northern Europe's premier shipbuilders, constructing over 25,000 vessels for sailors worldwide.

The shipyard's philosophy centers on structural integrity, ergonomic deck layouts, and functional sea-going comfort. Delphia hulls are built using hand-laid fiberglass and reinforced structural grids, ensuring exceptional stiffness, tracking, and safety. Recognized for their seaworthiness and refined wood interiors, Delphia yachts deliver reliable performance, making them a favored choice for discerning blue-water cruisers across North America and Europe.

The Delphia 40.3 Model Overview

The Delphia 40.3, designed by renowned naval architect Andrzej Skrzat, represents the pinnacle of performance cruising in the 40-foot class. Engineered with a balanced hull shape, powerful rig, and deep draft, the 40.3 delivers impressive speed, stability, and control across a wide range of wind conditions. Her clean deck profile, dual cabintop winches, and control lines led aft ensure safe, effortless shorthanded sailing from the protection of the cockpit.

Step below deck on the Delphia 40.3 and you are greeted by a surprisingly bright, airy, and expansive interior finished in warm joinery. The intelligent four cabin layout maximizes versatility, making it ideal for large families, cruising couples who host guests, or liveaboard sailors requiring extra dedicated storage space. Plenty of opening hatches and portlights ensure optimal airflow and natural illumination throughout the entire vessel.

At the helm, the Delphia 40.3 provides superior visibility, responsive steering, and a comfortable cockpit environment tailored for long passages. The integrated fold-out cockpit table, generous seating, and broad transom entry make relaxing at anchor or entertaining dockside a complete pleasure. High structural standards and thoughtful mechanical access reflect a design built by sailors, for sailors.

Celtic Pixie has been meticulously upgraded for total off-grid self-sufficiency and effortless navigation. Equipped with a high-capacity solar setup, modern lithium-ready charging infrastructure, a 21-gallon-per-hour watermaker, and comprehensive 2023 Raymarine electronics including Doppler radar and below-deck autopilot, this specific Delphia 40.3 represents an extraordinary turn-key opportunity on the Great Lakes.

Equipment Highlights and Specifications

- Upgraded Propulsion: Volvo Penta 55hp diesel engine paired with a brand-new 2025 MaxProp 3-blade feathering propeller for maximum efficiency under power and minimal drag while sailing.
- Modernized Navigation Suite: Comprehensive 2023 Raymarine electronics package including an Axiom Pro 9 chartplotter, Quantum 2 Doppler radar, EV-20 below-deck autopilot, AIS 650, depth, speed, and wind instruments.
- Off-Grid Power System: 2,400W total solar capacity (3 x 800W panels), Victron 2000W inverter/charger, Victron battery monitor, three AGM house batteries, and dedicated start/windlass battery (all new 2023).

- Water Independence: Sea Pro 21gph watermaker (new 2023) ensuring extended cruising autonomy without reliance on dockside water.
- Sails and Rigging: Selden furling mast with furling mainsail, brand-new 2023 North Sails 135% furling genoa, Selden boom vang, split backstay, and cabintop traveler.
- Dinghy Package: Stainless Outfitters dinghy davits carrying a new 2023 unused Innovocean 10ft dinghy with a Honda 5hp 4-stroke outboard.
- Comfortable Accommodations: 4 cabin, 2 head layout featuring a large salon dinette with drop-down table, forward Vee berth, convertible crew storage cabin, and twin aft double cabins.
