Description

Featured Listing: 2005 Beneteau Oceanis 373 – Exceptional Condition in Toronto

Breezeway Yachts is proud to present this stunning **2005 Beneteau Oceanis 373**, a masterclass in mid-sized cruiser design, currently located in **Toronto, Ontario**. Maintained to an impeccable, Bristol standard, this vessel represents a rare opportunity to own one of Beneteau's most celebrated Oceanis models in "turn-key" freshwater condition.

The Beneteau Legacy: 140 Years of Innovation

Founded in 1884 in Saint-Gilles-Croix-de-Vie, France, **Beneteau Yachts** has evolved from a small family shipyard building wooden fishing trawlers into a global powerhouse of marine excellence. As they celebrate 140 years of operation in 2026, Beneteau remains the world leader in sailing yachts. Their reputation is built on a "century-strong" tradition of safety and reliability. When you step aboard a Beneteau, you are stepping into a legacy of French maritime artistry combined with cutting-edge manufacturing and naval architecture.

The Beneteau Oceanis 373: The Award-Winning Cruiser

The **Beneteau Oceanis 373** is a celebrated **Berret-Racoupeau** design that redefined the 37-foot class. Winner of *Cruising World's* "Best Value" award upon its debut, the 373 is beloved for its incredible interior volume and patented innovation. Most notably, it features the **patented pivoting steering wheel**, which rotates 90 degrees to create a clear, unobstructed path from the companionway to the sugar-scoop transom—a feature typically reserved for much larger yachts.

With its iconic panoramic forward-facing windows and an industry-leading 6'7" of headroom, the salon feels expansive and bright. This particular 2005 model offers the perfect balance of performance and comfort, making it as capable for Great Lakes crossing as it is for entertaining at the dock.
