## Description

Beautiful 2005 Beneteau 323 for Sale – The Family Cruising Experience in Oakville, Ontario

Offered by Breezeway Yachts – Ontario's Boutique Yacht Brokerage with North American Reach.

Experience the perfect blend of French elegance and performance with this exceptionally maintained **2005 Beneteau 323**, now available through **Breezeway Yachts**. Currently located in **Oakville, Ontario**, this vessel represents a rare opportunity to own a modern cruiser that has been extensively upgraded for comfort, efficiency, and ease of handling.

### The Beneteau Legacy & The 323 Model

Beneteau is globally recognized as a leader in naval architecture, known for building yachts that are as beautiful as they are seaworthy. The **Beneteau 323**, designed by Groupe Finot, is a standout in the "Oceanis" family. It is celebrated for its incredible interior volume—feeling much larger than its 32 feet—and its nimble performance on the water. With a patented pivoting steering wheel and a bright, airy salon, the 323 is the ideal choice for Great Lakes cruising, coastal hops, or a luxurious weekend getaway.

### Key Upgrades & Recent Improvements

Unlike many brokerage boats on the market, this 323 has benefited from a significant refit in **2019**, making her truly "turn-key."

- Renewed Electronics: Integrated **Raymarine eS7 Hybrid Touchscreen** display with North American Navionics and a premium **Fusion Bluetooth stereo system**.
- Solar Power & Efficiency: Equipped with two **110w Sunpower solar panels** and a controller, allowing for extended stays at anchor without engine runtime.
- Hull & Performance: Bottom stripped to gelcoat and protected with **6 coats of Interprotect** (2019). Performance is enhanced by a **Flexifold 2-blade folding propeller**.
- Interior Refresh: Brand-new **interior upholstery** (2019) provides a modern, clean, and inviting atmosphere in the salon and cabins.
- Winter Protection: Includes a custom **Island Canvas winter cover** (2018) and a steel folding cradle.

### Vessel Highlights

- Reliable Power: Yanmar 2GM 20F 20hp diesel engine, meticulously maintained.
- Sail Inventory: Fully battened mainsail, furling Genoa with newer sock, and a Gennaker for light-air performance.
- Cockpit Comfort: Walkthrough transom, folding helm seat, newer Cockpit Cushions, and a canvas package (Dodger/Bimini/Connector) for all-weather sailing.
- Accommodations: Two-cabin layout with a double athwartships aft berth and a spacious forward V-berth, comfortably sleeping four to six.
