34th ANNUAL ITALIAN FESTA IS Back From a 2 Year Covid Suspension

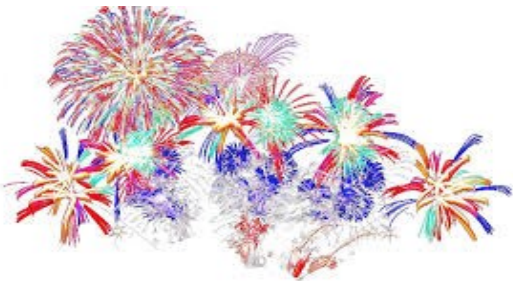

WEIS PARK....HERE WE COME....

Weis Park - 2600 Harvard & 26th St. NW (Near Malone University)

As many of you are aware, for the past two years, our Annual Italian Festival has been suspended because of Covid, but we are back in full effect. After careful deliberation and the safety of our patrons we decided to postpone the past two year. We also have decided to move the dates from June to July this year and for the future. We also decided to keep Weis Park as our Venue. The **WEIS PARK** location offers several opportunities for festival-goers; large open spaces, four professionally manicured bocce courts, area for a Kids Zone, ample space for food vendors, spacing for our popular “Wine-Pairing Event” as well as a huge eating tent and entertainment staging area. Parking will be available near the Festival site.

We are excited with our location and hope that our Festival-goers will join us in a loud supportive.... **BRAVO!**

2022 FESTIVAL PROUDLY DEDICATED TO:

Dominic J. Bagnoli Jr. MD

Our Festival Board is delighted to name the Honorable **Dominic J. Bagnoli Jr. MD** as the recipient of our **2022 Festival Dedication Award**.

Dr. Dominic Bagnoli Jr. has a unique connection to the Stark County Italian American Festival. A life long Stark County resident, his father, Dominic Bagnoli Sr., was one of the founders of our Festival and an ardent advocate for the Italian-American community. Dr. Bagnoli has honored his father's legacy with an equally fervent commitment.

Born and raised in Hartville, Dr Bagnoli attended The Ohio State University for undergraduate studies and attended medical school at Wright State University. He completed an emergency medicine residency at Akron General and then founded EMP, an emergency medicine physician group. Since that time his practice has grown to become the nation's largest physician-owned provider of emergency and inpatient medicine in the country. The group, US Acute Care Solutions employs more than 5000 physicians and advance practice providers nationwide, including at the Summa Health Systems.

Dr. Bagnoli credits his success to his family's humble roots and commitment to education. It's the basis of his family's support for our scholarship and many others including Lake HS, NEOMED, Wright State and The Ohio State University. He is married to his wife of 31 years, Vivian Von Gruenigen, MD and has two children. Their son Dominic Bagnoli III lives locally and is an independent insurance consultant with Maconachy Stradley, and their daughter Elise Bagnoli is attending the School of the Art Institute of Chicago (SAIC) obtaining her Masters of Fine Arts degree in Painting and Drawing. Both children were recipients of our festival scholarship when they graduated from Lake HS. The family loves their Italian heritage and have visited Fossalto, Italy where his grandparents were born and Giulianova Italy where his mother, Maria Pomante was born, many times.

Dr. Bagnoli currently serves as Executive Chairman of US Acute Care Solutions still based here in Canton, and has served on several other national boards including The GI Alliance, Dispatch Health, Stat Health and others. Locally he has supported many non-profits and scholarships funds including the Tschantz-Dueble-Bagnoli Caddy Scholarship and served on the Board of the Congress Lake Company. He also served as President of the American College of Emergency Physicians in Ohio.

Our Festival Board is grateful for Dr. Bagnoli's family's support of our Festival, his commitment to the Italian-Americans everywhere. As our Festival Dedication Award Recipient. Congratulations! **Tanti Auguri!**

Award winners will be presented their checks at the **Dominic J. Bagnoli Awards Breakfast on Friday, July 8th at La Pizzaria**. Scholarships are made possible thru our Italian Festival and the support of members/organizations within our community. A special thanks to the **Dominic J. 2020-2021 FESTIVAL SCHOLARSHIP RECIPIENTS

During the pandemic years we may have postponed the festival for the safety of our festival goers, but we didn't postpone the scholarships. The Foundation Board of Directors decided we must continue to award our HS students with scholarships. In 2020 we awarded a **\$2,000.00** scholarship to 3 recipients and then in 2021 5 recipients were also awarded **\$2,000.00**. Why we put so much effort and our time to put on an Italian-American Festival is ultimately to grant scholarships to our young adults and help them move on their next adventure in a higher education. Below are the scholarship recipients for the 2020 and 2021 as we weren't able to give them the proper acknowledgement.
