DIAMOND

NILESH KHANTILAL PATEL

Before coming to Mi Lifestyle I had tried 5 traditional businesses. Due to heavy loss I had to mortgage all 35 acre land that also affected my face value. So, in the earlier stage of Mi lifestyle I had to face many difficulties to promote the business.

Gradually from this business I paid all my debts & recovered all my land back. I built my dream house at my native place. Now all my near & dear ones feel proud of me. Mi Lifestyle gave me an opportunity to visit 9 different countries. I always want to see my name in Top-25 achievers list.

My vision is to make highly educated team with powerful system that can provide real leveraging. My success mantra is CONTINUITY WITH COMMITMENT which I followed in my entire journey.

This is not my success alone, This is the success of all my family, friends, team leaders & each and every single associates. I am very thankful to entire Mi Lifestyle Management.

Winter often brings dry air, blocked noses, and irritated skin. Cold winds and indoor heating can make it harder to breathe comfortably and keep your skin feeling soft and healthy. This is where the right daily care can make all the difference. Elements Wellness ProNasika is a specially formulated nasal spray that helps open up a blocked nose and supports easier breathing during the colder months. With herbal ingredients like Anant-mool, Eucalyptus, Mint, and Tea Tree Oil, it not only clears congestion but also provides anti-microbial protection, helping reduce the entry of harmful microbes and viruses into the lungs.
