## SURANJAN DAS

*Dear Friends,*

*“The difference between a successful person and others is not a lack of strength, nor a lack of knowledge, but rather a lack in will.”*

*I am Suranjan Das, Diamond Executive of Mi Lifestyle Marketing Global Private Limited. I live with my parents, wife, and a son in Kolkata for the past 42 years.*

*My ambition since my childhood was to make my family as well as my Nation proud. I completed my graduation from the Science stream and initially got associated with a reputed Pharma Company. It was my early employment days I left no stone unturned in working hard that was true to the best of my knowledge and belief. It was during this tenure with the Pharma Company, I came to know about the Direct Selling opportunity and its potential.*

*Being a self-made man, I took up an Independent distributorship with reputed Direct Selling company in the year May 2004. I was motivated in this industry because it not only gives you money, fame, and recognition but also allows making others earn money, fame, and recognition. My initial days in this Industry was very much struggling and I used to work for more than 15 hours a day and travel about 200 km daily to spread this industry among my circle. The best thing that I realized during this struggle period was giving me more and more confidence to achieve and people started believing in my way of working. There are lakhs of people who are working daily with me to achieve their success. I created a formula for "Success" within my team and ensured the lakhs of people achieve their dream, goal, name, fame, and earn in lakhs from this industry. I selected people from the grass root and spent hours and hours motivating and bringing confidence into them. This was not a single day affair and it took me years. The simplest way of success is "Hard work and not Short cut". I inculcated the desire in my team and I feel proud about what I have achieved. Today I own 2 Mercedes Benz cars, 5 luxury homes in Kolkata. I have traveled to more than 20 countries across the globe with my family and team which can be easily achieved in this business with this company, Mi Lifestyle Marketing Global Private Limited. There are many Entrepreneurs from whom I have taken inspiration and was clear I'll create a team. A team, where there are more than 5 lakhs of people working with me fulfilling and achieving their dreams daily. I conclude by taking this opportunity to thank God, my parents, my family, my mentors, every member of my team starting from distributor to ITC, and everyone from the management, I'm proud today as a Diamond executive of Mi Lifestyle, and that I have not only earned money, fame, and recognition but I also made lakhs of people do the same. Jai Hind, Jai Mi Lifestyle.*
