Rags to Riches Born in a family where my father was a mill worker and mother was a home-maker. The house we lived in had a thatched roof, it neither had a main door nor electricity. I pursued my education from a Kannada medium school till 12th standard at my native place near Mangalore, Karnataka.

To support my ageing parents and 4 younger siblings, I moved to Mumbai. We lived in a 10x10 sqft. chawl. During my graduation, I worked a lot of jobs to pay for my college fees and support family. On completion of my B.Com and Diploma in Advertising, I joined India's largest advertising company as a Media Manager. As my wife and I were working to make ends meet, both our children grew up in a crèche. During this job, I entered the Direct Selling industry as a part-timer to earn an additional income and eventually I quit my job and started my full time enriching journey with Mi Lifestyle. Because of my hard work, dedication & the desire to help others with the right principles and values I have achieved success which was beyond my expectations.

Interview

I will always be grateful to my Team Partners as they are my biggest asset and I will continue to grow my team as I firmly believe that, "We Build the Nation by Building Its People." I feel proud that both my children, Shashank (ITC/Platinum) and Sharmila (Upcoming NTC) are following my foot steps in this industry. Shashank is officially the Youngest BMW X7 owner in India and owns a sea facing apartment in a prominent location in Dubai. With a futuristic direction from our Mi Lifestyle management and the undying support of Harvest Success Academy, I thoroughly believe that we will continue to empower more people and help them achieve their dreams to enhance their Lifestyle as, "Dreams are the Most Powerful Energy."

Ms.Anita –Tuticorin

(Elements feeling syrup and on & on spirulina)
I used to feel giddy and tired all the time. when I saw a doctor he told me it was because of a low hemoglobin count. I started taking a lot of medication but it didn't help .Then I came to know of elements feeling syrup and on & on spirulina started using it for 6 months .I started to notice I wasn't feeling tired or giddy anymore and my hemoglobin count started to go up. Thanks to Mi Lifestyle for the opportunity and amazing products.

Sailesh Singh-Navi Mumbai (9e5)

About 5 years ago I was struggling with immunity issues. Every month or two I would fall sick .I am a field worker, my travel, food habits and sleep used to be erratic. I was recommended 9e5. I'm using it for 5 years now and my immunity has improved .I am fresh always and don't fall sick at all. This product is an amazing mix off berries. Thanks.

Ms.Priya Vishnoi- Dewas,

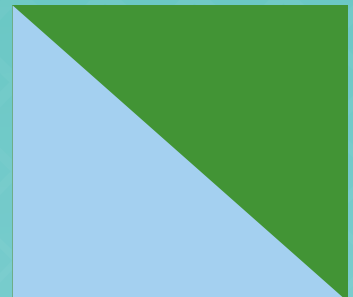

Sandalpur(Multi-action Fairness Cream/Multi-Gard Blood purifier) My skin used to have a lot of wrinkles and blemishes. I have used quite a lot of creams but did not make any difference. Then I was recommended Multi-action Fairness Cream/Multi-Gard Blood purifier. I could notice visible results soon after I started using it. This is a wonderful product, everyone in my family use it now.Thanks
