**“Success of person should not be measured by his materialistic achievements like car, home, lifestyle, but it should be measured by the number of people who became successful because of his touch”. I learnt this from my parents at a very young age. I took Direct Selling as career because my dreams were big and the opportunities were Limited. I took pains to learn the business by attending seminars, trainings etc. I had to face many challenges initially and with lots of hard work, sacrifice I started realizing my dreams one by one and today my goal is to create one million success stories worldwide! My earliest dream was to build a small and good home for my parents today, I own many properties including a beautiful villa in Kerala. Initially to increase my productive hours I dreamt of having a 2- wheeler and today I maintain many cars including a BMW 5 Series sedan and a Brand New Mercedes GLS-350. I have visited many countries with my entire family. However my best accomplishment is a powerful team of determined leaders and I express my heartfelt gratitude for all of them. Now with Harvest Success Academy associ-ating itself with Mi Lifestyle the potential for an ordinary person to become successful is very high. Positive action combined with positive thinking team Mi Lifestyle and Harvest can take you to unimaginable heights. Wishing you all a fabulous career in Mi Lifestyle.**

I used to be tired all the time, hence won't be able to do any work during the day. I also had a low blood count, and would frequently fall sick with seasonal allergies I was recommended this product. It made a huge difference. I don't feel tired or fall sick with allergies and my blood count improved as well.

Elements Wellness Multi gard Blood Purifier  
I would fall sick with fever every few months and would be dull. My periods used to be irregular and would get pimples on my face. A friend suggested this product, I started using it and, in a few months, I noticed I wasn't falling sick frequently. My periods are regular and my face is glowing. This product cleans our blood and it shows on our skin.

ON&ON Herbal toothpaste  
I used to have severe tooth pain. And I tried a lot of products and it didn't make any difference at all. Then I started using this herbal toothpaste to more bleeding gums, no more sensitivity, and no more tooth pain. Thanks to ON&ON Herbal toothpaste.
